GOLD SENIOR STALLION
BAHAR ELKUWAIT

This year, the location chosen by Mr. Roberto Ceccaroni for the Montefalco in Tour, the International C show affiliated with Ecaho, was "Arezzo Equestrian Center" in the San Zeno area of Arezzo. The facility is located right near the highway exit and allows easy transportation for the horses. It is one of the largest equestrian centers in Italy, with many grass or sand arenas and has all kinds of services for horses and riders. Including an excellent indoor restaurant in which the organization was able to delight us throughout the show. The days were August 3rd and 4th, it must be said that these are days when most of Italy stops, goes on vacation, but those who have this world in their hearts were present. Perhaps not many horses entered, but believe me we see many shows during the year and this one, although a small show, fulfilled all criteria of good organization, for horses and people. Mr. Roberto Ceccaroni was able to invite for his event a high level group of judges and already this guarantees the good quality of the event. From Great Britain Mrs. Caroline Reid, from Holland Mrs. Paula Bohmer, from Morocco Dr. Mohamed Machmoum, Dr. Francesco Santoro from Italy, Mr. Mahmood Mohammed Faraj from Bahrain and from

Israel Mr. Mohammad Azez Kadan. Also as Probationer Judge we were honored to have Dr. Bin Ali Abdelwahab Amira in attendance.

The disciplinary committee consisted of Dssa. Laura Mascagna, Mrs. Maria Vittoria Pancani and Dr. Gianni Pratelli. Another DC Probationer came from Poland Mrs. Anna Novak. Ring master Mrs. Barbara Raso. Outstanding speaker Mr. Daniele Giaccone assisted by the music of Mr. Gianluca Filippi.

As I said this is a little gem among shows in Italy, which turns into an Arabian horse festival and annual gathering of people of common friendship. Many people work around it, before and after the event, so I thank everyone who took part and especially Mr. Gianpaolo Teobaldelli who made it possible.
