2024 ARABIAN HORSE FESTIVAL

***F**inding yourself in Vichy from the first moments you can feel totally impressed by the beauty of this city founded in the ancient Roman times and since then worldwide known for its famous thermal waters, with spa park and opera founded by Napoleon III, lots of cultural events, famous cosmetics, artworks and local home made sweets that you can try in every corner shop. Vichy is a popular place amongst French celebrities but also - following the tradition of sunny riviera of this country - it is hosting one of the most interesting Arabian horse events - International Arabian Horse Festival organised by the team led by Eric Gear. It was kindly sponsored by many leading breeders - both from Arab countries and local ones. If you want to find the fair play atmosphere, high level hospitality, perfect organisation and a variety of lovely Arabian horse competitors some of them making their debut on show arena - Vichy is definitely the place to be!*

This year event held at comfortable location of French Equestrian Society at Stade Equestre du Sichon, just several minutes walk from the main city attractions, contained as many as 5 different competitions: French National Championship both for pure bred and half-bred Arabians, B International Show, Straight Egyptian Golden Globes Championship and Ridden Classes.

***French Nationals** was a very good chance to look into the local breeding condition in France and a great opportunity*

to see some new and interesting Arabian horses of good quality, sired by many of the leading sires but that one can not have yet seen at the big show arenas. Judged by panel: Maha Ibrahim, Fausto Scanzi, Amira Abdelwahab Bin Ali, Marc Veray, Ahmed Abdelrazek, Jassim Al Mesbah and Medhat Gaber the show was held through Saturday and ended with Championship on Sunday. Amongst the medal winners in yearling fillies we could have seen Isana Rose Domitia - very sire look alike filly by SQ Aqeeb bred and owned by Allman family, presented by the owner - Scott himself. With silver medal behind her was AJ Nawash daughter - Shaina NJ bred and owned by Nathalie Gerard and bronze - Hadiyhaa Des Aubues owned by Marie Beatrice Carour. Yearling colts gold medal winner was Shah Ussef, very interesting son of RFI Unique owned by Scea de Rouzieres. Silver medal awarded was again AJ Nawash offspring - JL Prophet co-owned by Agmal Arabians and Johanna Ullstrom, in front of VM Atemis by Artemis OS bred and owned by Vincent Morand. Junior section of fillies was won by Bahia UB, 3 years old daughter of ASE Farhan bred and owned by L'Ecurie Swiss in front of Agmal Psytara - again a successful AJ Nawash daughter bred by Agmal Arabians and owned by Johanna Ullstrom. Medal stairs were completed by Rayyana Des Aubues by FM Amir Al. Baydaa - bred and owned by Lucas Katell. Junior section of males was won by Nader AM, 2 years old son of Exagon OS bred by Al Mohamadia Stud and owned by Mathieu Miloux in front of Hyllos Domitia by Heracles Domitia - bred by

2024 ARABIAN HORSE FESTIVAL

Scott Allman and owned by Patrice Attard. Bronze went to Rasheeq QA, grey son of Fadi Al Shaqab bred and owned by Qardabiyah Stud. When it came to seniors it was a real pleasure to watch bay SMA Magic One daughter Hana'a RC bred by Royal Cavalry of Oman and owned by Mathieu Miloux becoming unanimous while silver medal went to Lohenberg Kalinka by Shiraz De Lafon bred and owned by Lohenberg Arabians. On the third place in finals was Shakara by Sharahm bred by Agmal Arabians and owned by Nathalie Gerard. In the senior males the highest trophy went to the rare, grey son of Emerald J – Jalwan Albidayer bred and owned by Sh Mohammed Al Qasimi, in front of Lazeez Al Shahania by EKS Alihandro bred in Al Shahania Stud and owned by Michel Combette. Bronze medal senior stallion was Sultan di Mar by Dominic Mbred in Italy by Soc.Agr. Tre Stelle and owned by Pomarabian Al Mayha.

International show judged by Mohammed Oussidhoum, Martine Van Hee, Marc Veray, Ahmed Abdelrazek had many international contenders representing their prestigious owners and six unanimous medal winners!

Traditionally as first the yearling championship were held with the winning fillies: Layla Al Shiraa by Herodotous Al Shiraa as gold, in front of Walha Al Jood by Shanghai EA as silver and Sultana Alkhashab (bred by Stigler Stud) as bronze. In junior fillies finals we had the first unanimous gold winner and it was royally bred Jheselle Al Shiraa by

RFI Farid out of Eralda, in front of unanimously silver, pretty Yian Vela Cucia by SA Falco bred by Vela de Iyan and owned by Bernat Tolra and bronze - Shio Aldara by Mahder Al Jamal bred by Shiodome Group and owned by Cristina Canton. In the colts all the yearling championship medalists were chosen unanimously! It was won by Excalibur Dream EA, son of Excalibur EA bred by Al Jassimya Farm and owned by Albert Sorroca, silver medal went to the same owner for his homebred Ethereal EA by Sulaiman EA and bronze – to Sahib Albidayer, black son of AJ Yas, bred by Albidayer Stud and owned by Victor M.R.Pereira. Junior colts finals was won by one of the first show offspring by HL El Ganador – it was TSL Majeed bred by Lisa Heckenbuecker, owned by Cameg Arabians, silver was Hashim Del Sar – very good moving son of Excalibur EA bred by Francesco Gaito in Italy and bronze – another black son of AJ Yas, Black Prime Kalliste bred by Kalliste Arabians in France owned by Arnold Xavier

International competition for senior stallions contained also really interesting entries: unanimous gold champion became beautiful Walil Ines by BS Specific. Bred in Morocco by Abdelmajid Aboukahdija and owned by Anas Ghizlani, silver went to French-bred Mahasin de Catherey by R'adjah de Catherey and owned by Al Bidaya Stud in Tunisia. Bronze medal international winner in senior stallions was Pegase du Castel, sired by Maximilian, bred and owned by Gastelu family in France.

2024 ARABIAN HORSE FESTIVAL

Foals

Both national and international shows as well as Straight Egyptian Golden Globes included also foals competition that was a good opportunity to award the hard work of their breeders and see the production of several stallions such as Mahder Al Jamal, Artemis OS, SQ Aqeeb, Ajman Moniscione, Hanaya Rahil, Haash OSB, Primus S.

French National show had also as large as 7 entries of **geldings** championship with some very handsome competitors amongst them and medal awarded were: Laith AM by FRI Farid bred by Al Mohamadia Stud owned by Sandy Valverde - gold medal winner scored as high as 92,00, Pablo MM by Jewel RC bred and owned by Mathieu Miloux and Elihandro JJ by EKS Alihandro bred by Jacky Simon and owned by Charlie Rit.

The only competitor of geldings class in the international show was Agmal Psadik by AJ Mardan bred and owned by Agmal Arabians, scored as high as 92,25!

Straight Egyptian Golden Globes did not contain many entries so the class contenders in all categories qualified to the championship but it was nicely showing the solid grup of this special origin horses residing in Europe. Best European bred horses were also awarded with special trophies as well as the separate awards were presented to the Highest Scored horse of the show, Best Head and Best Movers in both

international and European categories, also the Best French Bred Straight Egyptian horse was awarded. Long list of special trophies such as: Highest Score Horses of the Show, Best Head and Best Movers in both genders, Best European and French Horse of International B Show were presented to the owners with fireworks setting during a very charming Breeders Evening on Saturday night, with Arabian and Pura Raza Espanola horses spectacles.

Additional event during Vichy Arabian Horse Festival were **Ridden Classes** that shown how nice and well cooperating pure bred Arabians can be as saddle horses, and **French Half-Arab Bred Championship** showing the influence of pure bred Arabian horses into other breeds.

If you want to spend the weekend in beautiful place, taste French culture, enjoy lovely weather, experience a perfect organised show and see a great variety of very interesting horses bred both locally in France but also international stars – you have to join Vichy International Horse Festival next time!

I have to admit it – it was my first time in Vichy but I will be definitely looking forward to be back here.
