We are located in Saudi Arabia, 30 km from Riyadh to be exact, in Al-Diriyah. This is where the Al-Duhami Horse Center is located. It is in this center that from November 29 to December 3 the first edition of the “Riyadh Arabian Horse Festival (Jawadi 2022)” will be held, which may become one of the most important events in this nation. The location is nothing short of magical, situated in the middle of the desert, in a natural

basin surrounded by sand mountains. On one of these hills is clearly visible the silhouette of a white horse, this leads the imagination to think that the location was chosen by magic, that the very earth has destined this location for the presence of horses. Hence the establishment of an equestrian center, which over the years has led a team of Saudi riders to win an Olympic medal.

H.R.H. Prince Abdulaziz Bin Ahmed Bin Abdulaziz Al Saud, AHO Founder and Board of Directors Chairman

Planned, executed, and organized by Athbah Arts, “Jawadi 2022” is a product of Athbah Arts’ vision to create a captivating world that manifests the beauty of purebred Arabian horses combined with Saudi history and heritage, providing a plethora of awe-inspiring experiences enriched by arts and culture. The “Jawadi 2022” festival houses many activities and delightful experiences for visitors of all ages. At its heart, two main Arabian horse shows launch for the first time, organized by the “Arabian Horse Organization” (AHO) and supervised by King Abdulaziz Arabian Horse Center.

AHO was conceived in Saudi Arabia by H.R.H. Prince Abdulaziz Bin Ahmed Bin Abdulaziz Al Saud, specifically to boost breeders around the world, and has at its decision-making summit a board of directors of which he is chairman, consisting of thirteen members from various Arab countries. AHO organizes many events in the Middle East and Europe every year. Shows of this organization have resumed their course, starting with the first 2022 edition in Morocco at the El Jadida show, subsequently in Egypt and Saudi Arabia. These

events are not only competitions between breeders, they are also a meeting place to compare breeding programs in Europe and around the world.

The two main shows at “Jawadi 2022” have at their board of directors Mr. Mohammed Abdullah Al-Subaie chairman of the supreme organizing committee for both

shows, Mr. Ahmed Abdel Razek AHO member and breeder in Giza where with his son Adel they own Al Bawady stud, Mr. Mohammed Al-Harbi AHO member and General Manager of Arabian Horse Society (UAE). Dr. Mohamed Machmoum AHO member and Mr. Fahad Al-Arini member of the supreme organizing committee for both shows.

The first show is the SAUDI BREEDERS' CUP which takes place on the days from November 29 to December 1. At this first meeting in Al-Diriyah, 177 horses were entered, and judging them in the ring were Mrs. Renata Schibler (Ch), Mr. Bruce McCrea (UAE), Mr. Sufian Taha (Palestine), Mr. Omar Mohamed

Zaghloul (Egypt), Mr. Mohamed Al Khamis (Kuwait), Mr. Mahamood Faraj Jawad (Bahrain), Mr. Mukhtar Khalil Ebrahim (Bahrain) and Mr. Majed Abdullah Al Mehyawi (KSA).

The Ring Master was Mr. Waleed Hadi Mohammad Al Haddadi (KSA), and the DC were: Dr. Vet. Mohammed Hammad (Egypt), Dr. Vet. Bassem Badr (KSA), Eng. Obadah Zabadi (KSA), and Mr. Saad Al Qassim (KSA).

Our compliments and personal thanks for entertaining us with her beautiful voice to show commentator and announcer Mrs. Sarah Mohammed Al-Akooor. Thanks also to Ms. Lina Abu Shmais for coordinating our stay and media work during the event.

The event is held from the first day and in the following days in the afternoon starting at 4:00 P.M. At the entrance to the festival, the visitor is immediately transported back in time to a past of simplicity and deeprooted heritage. The place is built like a small village, where a boulevard is embellished in Saudi traditional decorations and lined with booths and shops of local production and handicrafts on each side. Amongst the

myriad of activities is an area where visitors can admire and interact with beautiful Saudi desert-bred horses, an art gallery, a theater with characters and performances for children, and an amphitheater with live folklore performances and where videos of AHO shows in Europe and around the world are on a giant screen.

On top of the well-coordinated efforts with AHO via Mrs. Nahlaa Baraka to bring forth two exciting Arabian horse shows, the Athbah Arts team is working incessantly to ensure that every aspect of the festival and the main shows is unforgettable. Everything is taken care of down to the smallest detail, the VIP

area is nothing short of opulent, of great elegance the ethnic decor is in total harmony with the place, and the food, drinks, and catering service were impeccable. The sound and lighting effects in the show arena were all-encompassing, with projections of galloping horses bringing the surrounding mountain wall to life. As an interlude between the main show classes, two equestrian acts entertained us and diluted the tension of the competition. Very impressive and emotional was the performance by Dubai-based French company "Team Z7 Show Horses", riding their beautiful horses through light and fire, showing the deep bond between man and horse. Magnificent was the presentation of the Athbah

household legendary stallions: World Champion “EKS ALIHANDRO” (Marwan Al Shaqab x Ofw Pshluette), and one of his many sons “HATEM ATHBAH” (EKS ALIHANDRO x Esperanza Al Ventur) already a champion and in the wake of his sire’s victories. Exciting and adrenaline-pumping was the performance by the military men of “Sahawat” who, riding their Arabian horses at a wild gallop, twirled swords and flaming spears. It must be said that Athbah Arts has proven itself as a planner and organizer of memorable events that combine the equestrian arts with entertainment. Through “Jawadi 2022”, Athbah Arts underscores its goal to bridge between artists, performers and Arabian horse admirers to showcase their mesmerising work and celebrate cultural heritage and authenticity together, as well as educate the public about all aspects related to equestrianism.
