When travelling to United Arab Emirates, you should always plan your schedule in advance just to be able to see and enjoy the Sharjah International Arabian Horse Festival.

Sharjah is a place well known as the Cultural Capital of the United Arab Emirates and Cultural Capital the Arab World where the tradition blends very well with modernity and it is a perfect place for this festival. The Sharjah International Arabian Horse Festival is of great interest to every equestrian and purebred Arabian horse enthusiasts, making its mark in the Arabian horse world. And also this year we were delighted to enjoy its 24th edition and as before we were amazed by the setting, organisation, hospitality and amazing beauty as well as high quality of Arabian horses competing during the festival.

The festival was approved by ECAHO and its success is attributed to the great care and attention given by His Highness Sheikh Dr. Sultan bin Muhammad Al Qasimi, Supreme Council Member and Ruler of Sharjah, and the excellence and efficiency of the Sharjah Equestrian Racing Club. Traditionally The 24th Sharjah International Arabian Horse Festival lasted three days and was indeed a continuation of the success of previous editions. As always the organisers did their best to ensure that everyone felt welcome and that everything was perfectly prepared and going well. The perfect weather was guaranteed and showground in the exceptional indoor arena was very welcoming and enjoyable. The show gathered many Arabian horses of very high quality and great pedigree from the nine countries. It is surely the festival you can't miss. □
