**E**very year in November, the charming city of Indaiatuba, located in the state of São Paulo, hosts the Brazilian National Arabian Horse Show. Showcasing horses in halter, performance and work categories, with more than 550 Arabians present at the show. This show is considered the most important Arabian horse exhibition in Latin America, bringing horses from the entire American continent to Brazil in search of the supreme title. These are accompanied by visitors from all over the world, who are delighted not only by the quality of the Brazilian Arabian horses, but also by the well-known hospitality of the people, which is not limited to “caipirinhas” and “samba”. This year the halter classes had as judges two Brazilians, Luiz Antonio Moreira Rocco and Rodrigo Foz Forte, Irina Stigler from Russia, Leslie Connor and Scott Brumfield from the United States. In the Junior Junior Filly championship, that consists in fillies from 6 to 12 months, the grey filly HDF Baronesa won four first places from the judges and was elected as the gold filly. HDF Baronesa is owned and bred by Haras das Faias. HDF Baronesa is sired by HDF Lugano, which is the son of Las Vegas Champion \*FA El Shawan by Marwan Al Shaqab and beautiful daughter of \*El Nabila B, Ardant

Carol. HDF Baronesa's mother is Xandu El Perseus, a daughter of Perseus El Jamaal, bred by the renowned Haras Meia Lua. The silver was given to a Brazilian filly, known from other national championships, the chestnut Shiva Arabco, now owned by Glenn Stevenson/ GS Arabians from USA but bred by Rancho Arabco. Shiva Arabco is sired by the Brazilian National Champion \*El Tino, one of the most prominent offsprings of DA Valentino. \*El Tino is also owned by Rancho Arabco. Shiva's mother is Shavanna El Madan, sired by \*FA El Shawan by Marwan Al Shaqab in a daughter of \*HCF Cajun Prince son of the US champion \*Almaden. Shiva Arabco has shipped to the United States and should debut in the American shows in February, during the Scottsdale Arabian Show. The bronze filly was Special Dream HVP, bred and owned by the renowned and prestigious Haras Vila dos Pinheiros. Special Dream HVP is the daughter of the American stallion and now in Brazil \*Thee Apprentice, sired by Versace in a Legacy of Gold daughter. A Special Dream HVP's mother is Tawany HVP who is a daughter of \*FA El Shawan. Thus, in this first championship, there is the strong influence of Marwan Al Shaqab among the winners, especially through his son \*FA El Shawan. Starting the first

males championship, between 6 and 12 months, the gold colt was Dominus Arabco, a full brother of the silver filly Shiva Arabco, both sired by \*El Tino in Shavanna El Madan by \*FA El Shawan. Dominus Arabco was bred and is owned by Rancho Arabco. He won the championship with 3 first places. The silver colt was Imhotep Rach that, according to many people, was sold to the UAE during the show. This colt was bred by Rach Stud, a big Brazilian farm that specializes in Polish lines, that has recently been opening their group to new lines of horses. Imhotep is the son of \*RHR Mercedes by Marwan Al Shaqab in Isis Rach. The bronze colt was Zahir El Madan, another son of \*El Tino in the wonderful Pure Seduction VCM by HK Keav Power out of OFW Dark Victory daughter. This beautiful bay colt was bred at Haras El Madan. We hear Zahir will be retained by Pedro Amaral (El Madan owner) to be one of his stallions, perpetuating the \*El Tino blood. Summing up, in the first two championships, the blood of DA Valentino, through his son \*El Tino and Marwan Al Shaqab, through his son \*FA El Shawan, were in almost all the champions, dictating, right from the beginning, what would be seen throughout the show. The second female championship, named Junior Filly, joined fillies from 12 to 18 months of age. The gold filly was FHJ Vania, owned and bred by Haras Jacovas from the southern state of Rio Grande do Sul. FHJ Vania is a daughter of \*AAS Elishabb owned by Fazenda Floresta and what we hear, is he should be doing campaign in Europe 2016. Today \*AAS Elishabb is kept at Jadem Arabians in Belgium. The FHJ Vania's mother is Galena Van Ryad daughter of the most successful Brazilian Stallion, Ryad El Jamaal, sired by \*Ali Jamaal in an \*El Shaklan daughter. The silver filly went to Sweet Satisfaction. Satisfaction was bred and owned by the traditional Haras Al Hoçan. Sweet Satisfaction is a new winning daughter, originated from a cross between HK Keav Power by Power World JQ in the Scottsdale champion \*Nerfetiti by Marwan Al Shaqab. Finally, the bronze winner was Khaki HEC, another daughter of HK Keav Power. Khaki mother is Khyara HEC by Jahd El Jamaal, who was multi champion in Brazil. Like Khyara HEC, her daughter Khyki was bred by Haras Estância California. In this championship we could see a strong influence of HK Keav Power that has unfortunately past away in 2015. HK Keav Power is a son of Power World JQ in a HK Laswan daughter. Laswan carries blood from Aswan through his son \*Princhal, Laswan's sired. The gold junior male was the beautiful Falak FK, with 4 first places. Falak FK is the son of \*El Tino in beautiful Fogosa HAB, an imported mare from Argentina

who brings in her blood Magnum Psyche and Princhal. Falak was bred at Haras FK/ Kojak. The silver Junior Male was given to HDF Tarref, bred and owned by Haras das Faías. Tarref is sired by HDF Lugano by \*FA El Shawan. His mother is the beautiful and reserved national champion Mag Shall Londrina by Magnum Chall HVP. The bronze colt went to Malcolm LM, a son of Vitorio TO, that in these days' lives in Poland, in Ukrania LM a Don El Chall mare. Malcon was bred and owned by Haras Paiquerê of the state of Paraná. In this championship, we could see the return of the bloodlines of Marwan, through his son \*FA El Shawan and DA Valentino, through his sons \*El Tino and Vitorio TO. The filly championship brings females from 18-36 months of age and was one of the most difficult championships, as it had animals of the highest quality. The gold filly was the Brazilian Champion Junior Filly in 2014 – the beautiful Miucha El Shawan JQ, bred by Haras dos Faveiros and owned by Aria Arabians from USA. Miucha has 3 first places and 2 second places and is the daughter of \*FA El Shawan in Power World JQ's daughter. Miucha's future is unknown and it's a mystery if she will be in the championships of Europe or United States in 2016. The silver filly was the exquisite Kissme El Madan, bred and owned by Haras El Madan. Kissme is a daughter of great \*El Tino, a stallion of whom Haras El Madan was a partner. The Kissme's mother adds to the pedigree of this beautiful filly the bloodlines of Versace, \*Ali Jamaal and \*El Shaklan. The bronze filly was Only Serondella, sired by US Champion \*AAS Elishabb, a son of Eden C, in a Vektor El Ludjin daughter. Only Serondella had an amazing type and her breeder and owner is Haras Serondella. The result of this championship showed once again the importance of Marwan and Tino's blood in the Brazilian Arabian horse. For the Colt championship, males from 18 to 36 months of age, the gold colt was \*HP Ali, bred by the traditional family Bulnes, from Chile and owned by the Bulnes and Herman Chadwick. \*HP Ali's pedigree is a well-known Brazilian breeder, especially \*Halux by Menes, \*El Shaklan and Ruminaja Bahjat. This colt captivated the audience, especially for his gorgeous type. The silver colt was Gran Osiris, for HK Keav Power in the \*RA Nerfetiti. This colt is the result of consecrated cross from Haras Al Hoçan, between HK Keav Power out of \*RA Nerfetiti. Osiris is bred and owned by Haras Al Hoçan. The bronze colt was FT Pietro, bred and owned by Haras Quatro Estações, the same breeder of the renowned FT Shaella. FT Pietro is a son of LCC Fasario, Fazenda Floresta's Stallion. Fasario is a son of Aria Empresario by Marwan Al Shaqab in an aristocrat mare \*RD Fabreanna by Falcon BHF. In colt

*El Madan, bred by Haras El Madan and owned by Haras El Madan and Haras FK/ Kojak. Wadan is a son of OFW Magic Wan by Marwan Al Shaqab, 2015 US National Champion, but owned by Haras Sahara from Brazil. Wadan's mother is the Brazilian national champion Sahara Galina, a daughter of \*JJ Senor Magnum in a HCF Cajun Prince's mare. The silver stallion was \*Matisse FM sired*

*championship, there was different lineages, still up watching the blood of Marwan, now through his son Aria Empresario. In the mare championship, for many the high point of the show, there were numerous world class mares. The gold mare was FT Havanna El Keav by HK Keav Power in Hillary VCM, who is a daughter of Magnum Psyche. FT Havanna had been Brazilian national champion twice before and is one of the greatest mares bred by the famous Haras Quatro Estações, known worldwide for breeding FT Shaella. Havanna is now owned by Haras Cruzeiro, which is currently a very important Arabian horse farm in Latin America. The silver mare brings the \*El Tino blood once more, through his daughter Tina El Madan. Tina, a beautiful chestnut mare, that was shown by Rancho Arabco and sold during the actual show, to Jeff Sloan from Aria Arabians. Tina was bred by Haras El Madan and brings in her blood \*El Shaklan, through Mirage LM. Tina El Madan will go to USA where she will compete in the mare championship at Scottsdale Show. The bronze mare was Queen Ayda FWM bred and owned by the traditional Casa Branca Agropastoril, a farm that is also known for its considerable livestock. Queen Ayda is the result of a cross by \*FA El Shawan in the beautiful grey mare \*TN Mariani by Magnum Psyche. Apparently, after the show, Queen Ayda will be an embryo donor right at the Casa Branca. So the mare championship was a summary of what was happening at the show, through the presence of descendants to \*El Tino, \*FA El Shawan and HK Keav Power. Finally, we had the Stallion championship, with males over 36 months of age. The gold champion was Wadan*

*by Marwan Al Shaqab in a mare with high concentration of Russian blood through Furno Khamaal. \*Matisse is owned by Haras Stigmatas and already had been Brazilian national champion in 2011. The bronze stallion was \*SRA Bandit owned by Haras Carandá. Bandit is another son of DA Valentino in LL Abuferra a daughter of Brazilian stallion Bey Shadow TGS by \*Shallenger. Summing up the Brazilian Nationals of 2015 had : 6 successful Stallions, Marwan Al Shaqab and his sons \*FA El Shawan and HDF Lugano, \*El Tino, \*HK Keav Power and \*AAS Elishabbh, all stallions that combined very well as the basis of Brazilian breeder formed by descendants of \*Ali Jamaal, Aladdin, Bey Shah, Padron and \*El Shaklan. In Brazil is highly valued the dispute to who else punctuates as breeder and exhibitor of the National Show. This year, in halter and performance classes, the largest breeder and exhibitor was Pedro Francisco do Amaral from Haras El Madan. Finally, it is worth mentioning the disputed fight for the best breeder and exhibitor of the year (2015), which had the final chapter at Brazilian Show, when Haras Vila dos Pinheiros, owned by Mr. Jaime Pinheiro, won the title. Be sure to save the date for November 2016 and visit us at the Brazilian Nationals. We welcome you! □*
