CHANTILLY WAS ONCE MORE THE CAPITAL OF THE ARABIAN HORSE

Anyone who loves horses knows that Chantilly is famous not only for the amazing Château de Chantilly, but also for the Museum dedicated to the horses which we also had the chance to visit this time. The Château de Chantilly is a historic château located in the town of Chantilly, France. The site comprises two attached buildings: the Petit Château built around 1560 for Anne de Montmorency, and the Grand Château, which was destroyed during the French Revolution and

rebuilt in the 1870s. Owned by the Institute de France, the Château houses the Musée Condé which is one of the finest art galleries in France and is open to the public. The city of Chantilly located in the north of France, 40 kilometers from Paris, is known for its horse racing track, the Chantilly Racecourse, where prestigious races like the Prix du Jockey Club and the Longines Prix de Diane are held. The racecourse of the Hippodrome of Chantilly is certainly one of the most beautiful sites dedicated to

the horses in the world. Ideally situated in a marvelous setting, it offers an exceptional panoramic view over the racecourse, the Chateau and the Grand Stables. The Great Stables, which contain the Living Museum of the Horse, were built by the Princes of Condé and today are among the most-visited horse-racing sites in the world.

Chantilly is a suggestive scenery where the purebred Arabian horse finds its perfect place. The AHO events are the perfect occasion to be there.

Words cannot explain what can just be experienced in person: the beauty of the location, the excitement in the VIP area, the atmosphere amongst the public, the thrill in the breeders and handlers' eyes and their will to win the title of Champion. In this frame, AHO organized also this year a superb event that was perfect in every details.

The show director was Fredericke Kopp who is now the Operations Manager of AHO. Her job was excellent as always, also thanks to her special assistant for this edition, the manager of Athbah Stud, Mr. Ward Bemong who helped her doing a great job. We have to say that Ward was perfect for this role!

The AHO has strengthened itself thanks to a great team, close and motivated by the ideal which the Organization is founded on: the promotion of the Purebred Arabian Horse all over the world.

TuttoArabi is the media partner of AHO and we have had the honour to be invited in every event organized by AHO and we saw with our own eyes how AHO is encouraging the breeders to go through these hard moments due to the economic crisis.

During the four day show I personally had the occasion to understand in depth such an important ideal.

In the thoughts expressed by the members of the Organizing Committee I have found the reasons which push the AHO to invest and manage such great horse events like Chantilly in order to support the breeders.

They are a precious legacy of worldwide importance. Only through the cooperation it will be possible to guarantee the preservation of the most important horse, the Arabian horse. The Arabian Horse Organization aims to the close cooperation with the other associations. Honesty and

fairness are certainly the basis on which the future of the Arabian horses must be solidly built. Dr. Mohamed Machmoum and Mr. Ahmed Abdelrazek, who are both board members of the AHO, agree with this opinion.

This year on the 4th and 5th August the second edition of the AHO World Cup, was held. The second edition of the AHO World Cup has reached a great public approval with 75 horses entered just to add to the 101 horses which have competed on 6th and 7th August in the fourth AHO Breeders' Championship Europe offering 200.000 Euro prize money.

6 judges have been invited from all around the world to award the champions of the AHO World Cup: Mr. Gamlin Peter (England), Mr. Gear Eric (France), Mr. Husebye Tom (Norway), Dr. Marei Nasr (Egypt), Mr. Moschini Christian (Italy) and Mrs. Zeevenhoven Karin (the Netherlands).

The AHO Breeders' Championship Europe was judged by 6 judges: Dr. Aragno Gianmarco (Italy), Mr. Badrawy Mohamed (Egypt), Mr. Dahmen Doug (Usa), Mr. Lacina Jaroslav (Check Republic), Mrs. Schibler Renata (Switzerland) and Mr. Trela Marek (Poland)

For both events the DC committee: Mr. Gerard Oben (Belgium), Dr. Nils Ismer (Germany) and Dr. Malak Benamar (Morocco).

As speakers: Mrs. Myriam Dat in French language and Mr. Mike Ashmore in English

The Ringmaster was Dr. Mohamed Hammad from Egypt and the great show music was mixed by Mr. Kristof Heymans from Belgium.

The AHO Breeders' Championship Europe aims to stimulate the breeding of arabian horses, giving the European breeders the great opportunity to show themselves and their competitive skills.

The whole show has been made possible by the Association's Chairman, HRH Abdulaziz bin Ahmed bin Abdulaziz Al Saud and the sponsors which have believed in AHO and have given their support.

All the media were present in Chantilly and this year the show really improved in every details, included the choreography. A crowd of public gathered to attend both events and the World Cup was a super successful show.

People start to understand the importance of the AHO World Cup and we are sure next year the show will have even more success and audience.

Enjoy the reportage with all the results of the 2 events and the pictures by our photographers and friends Ricard Cunhill, SIR photography from Spain and Henrike Hoermann from Germany.

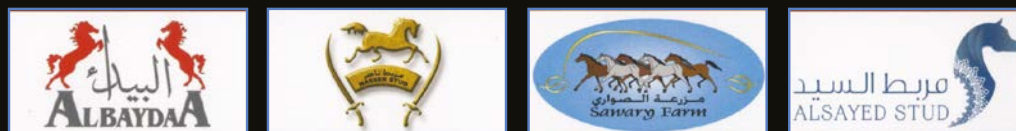

Also next year TuttoArabi will be in Chantilly and we will be glad to continue its support to AHO in 2017, an association that deserves all the aid in reaching the goals as its vision is something we really need for the future of the Arabian Horse.

See you next year in Chantilly. Don't miss out. □
