**C**hrcynno Palace, an unique Polish stud farm located in central Poland north from Warsaw is well known to the foreigners visiting Poland for the week in August to celebrate the Arabian horse during Arabian Horse Days – at the Nationals, State Studs and further – visiting Polish private breeders where the quality reaches and already not rarely exceeds those we used to see at state breeding too. Chrcynno-Palace was one of the first private farms who opened its gates after Pride of Poland event few years ago organizing the Open Day. Besides the

excellent breeding, show and performance collection preview for the guests it's always also the rare opportunity to visit the territory of ancient XIXth century palace designed by Henryk Marconi (the same who designed the buildings of Janów Podlaski State Stud) nowadays restored and owned by Poszepczyński family.

Chrcynno-Palace Stud achievements are familiar to Tutto Arabi readers – it's one of most frequently appearing Polish farms at the international arena reaching very good

achievements shown either by the daughter of Krzysztof and Ewa – Alicja, who is also main breeder in the family owned farm, or by Johanna Ullstrom. The line of successes of beautiful mares such as Ganga, Chaos Persefona, Psyche Victoria or Psyche Kreuza is surely well known to all following the show scene in Europe in past seasons. This year Chrcynno-Palace started also with some successes with the former show horses and new generations – highest placed so far was extremely exotic and refined yearling Echo Aurora (Eternity Ibn Navarrone x Echo Afrodyta) – class winner and 2011 Polish National Reserve

Junior Champion Filly, "ARABIA-Polska" Arabian Horse Festival (C nat.) Bronze Champion and 3rd at Białka Spring Show. Many horses were top five in their classes: Gaja Hera 2010 (Psytafel x Gaja Selene), Psyche Kreuza 2008 (Ekstern x Pallas-Atena), her full brother Psyche Amon 2009, Psyche Kora 2008 (Gaspar x Panakeja) and Psyche Kybele 2008 (Khidar x Pomona). Psyche Ares 2007 (Ekstern x Pallas-Atena), Echo Adonis 2007 (Al Maraam x Echo Kallisto), Galahad 2003 (Werbung x Granada) and Echo Apollo 2006 (Piaff x Echo Kallisto) won several times their sport classes.

This time during two days of 8-9 August the visitors had opportunity to see the show stars at home, some of them together with 2011 born offsprings by Khidar, Psytafel, Forteyna's Magic, Poganin, Eternity Ibn Navarrone and

own stallions – Echo Adonis (Al Maraam x Echo Kallisto) and Psyche Ares (Ekstern x Pallas-Atena). Interesting appearance in the group of 15 horses presented was the famous and most entitled at Chrcynno - Psyche Victoria with very promising colt by Khidar or well known from the show rings Ganga (Emigrant x Granada) with beautiful colt by Psyche Ares.

During two days of Open House the stud counted 75 visitors from various countries such as USA, Czech

Republic, France, Israel, Holland, Belgium and of course – Poland. Some of them have already their long time favorites in the farm – Echo Aurora, Chaos Persefona, Psyche Victoria and Ganga's colt – Gaja Re were adored but also some stallions and geldings especially presented under the saddle in dressage and showjumping such as Galahad (Werbum x Granada by Monogramm) were often asked to repeat their presentations. As Alicja Poszepczyńska says – some people were highly interested in purchasing horses or breedings to Chrcynno-bred successful young sires. This encourages and puts the level of challenge up – Chrcynno-Palace already invites for its next Open Days in 2012 after Polish Nationals and sale in Janów Podlaski. See you there!
