IL CAMPIONATO FINALE

L'emozione del campionato finale è sempre molto forte, ed in questa occasione lo è stata ancor di più, se possibile. Qualche sorpresa, comunque, visto l'andamento della gara nella due giorni siciliana.

Netta vittoria per la splendida *Alima Moniscione, presentata egregiamente da Luca Oberti che nonostante sia entrata ed uscita dal ring per ben quattro volte per le competizioni che la riguardavano, ha sempre regalato agli astanti uno spettacolo strepitoso grazie al suo movimento esaltante. E così si è aggiudicata il titolo di Campionessa Puledre, il premio per il Best in Show, il premio per la miglior puledra di proprietà siciliana, davvero niente male per una puledra che non assaggiava un ring da quasi un anno. Complimenti vivissimi al proprietario, l'Aretusa Arabians Team della sig.ra Lucia Palumbo. Il titolo di Riserva va alla bella *Magic Ma Cherie presentata da Franck Sponle, una puledra di solo un anno che però ha davvero tutte le carte in regola per proseguire in futuro una felice carriera in show. La puledra è di proprietà del sig. Giuseppe Fontanella.

Titolo di Campione Puledri per *Mahrabi PA tipico e dotato puledro, bellissimo figlio del pluricampione in show Eternity Ibn Navarrone presentato da Franck Sponle di proprietà di Fontanella Magic Arabians mentre il titolo di Riserva va a *Khal El MP di proprietà dell'Azienda Agr. del dr. Francesco Tripodi, un puledro che dimostra appieno le qualità di riproduttore di Serengeete. Presentato magistralmente da Paolo Capecci Khal El MP continua a migliorare ad ogni show.

Titolo di Campionessa Fattrici per *Hadishana presentata da Domenico Ciceroni che conquista un bellissimo risultato con questa cavalla che sorprende e sovverte tutti i pronostici della vigilia. La fattrice è di proprietà del sig. Francesco Miccio. Titolo di Riserva per *Naomi Nas PB che si esalta nel movimento con Paolo Capecci dando un meritato risultato al giovane ma già vincente e promettente allevamento Katane Arabians.

THE FINAL CHAMPIONSHIP

The final championship is always very thrilling and this time it was even more so, if that is possible. There were some surprises, given the results of the two-day competition in Sicily.

*Clear victory for the magnificent *Alima Moniscione, perfectly presented by Luca Oberti. Even though she went in and out of the ring four times, to compete in the various categories, every time she provided moments of great show for the public, given her breathtaking movement. And so she was named Champion Fillies, was awarded the prize for Best in Show and the prize for the best Sicilian-owned filly: not bad for a filly that had not been in a ring for almost a year. Congratulations to her owner, Aretusa Arabians Team of Mrs. Lucia Palumbo. The Reserve title went to the lovely *Magic Ma Cherie presented by Franck Sponle, a filly of just one year which is fully equipped to continue with a successful career in shows. This filly is owned by Mr. Giuseppe Fontanella.*

*Champion Colt was named *Mahrabi PA, a typey and talented colt, a beautiful son of the show multichampion Eternity Ibn Navarrone, presented by Franck Sponle and owned by Fontanella Magic Arabians. The Reserve title was assigned to *Khal El MP owned by Dr. Francesco Tripodi's stud, a colt that proves the siring capacity of Serengeete. Splendidly presented by Paolo Capecci, Khal El MP continues to improve at every show.*

*Champion Mare was *Hadishana presented by Domenico Ciceroni, who obtained a great result with this mare, which surprised and defied the predictions made prior to the championship. This mare is owned by Mr. Francesco Miccio. Reserve Champion Mare was *Naomi Nas PB, which gives her best in movement with Paolo Capecci, giving a well-deserved success to the young but winning and promising Katane Arabians stud.*

Titolo di Campione Stalloni va all'ottimo *Ghajari di proprietà di Fontanella Magic Arabians e presentato da Franck Sponle, un soggetto che in standing è veramente unico. A Giuseppe Fontanella va riconosciuto il merito di aderire in maniera decisa in tutti gli show italiani, anche in questo caso ben sedici sono stati i cavalli portati dal training center di Giuseppe. Il titolo di Riserva va a FG Makao presentato da Paolo Capecci dell'Arabian Training Center Ca' di Gianni (altro centro che ha sostenuto lo show di Cinisi in maniera importante) che conosce particolarmente bene il cavallo avendo conquistato con lui ottimi titoli. Lo stallone anche in questa occasione si dimostra competitivo regalando un altro titolo alla Katane Arabians. Tripodi Arabians insieme con Katane Arabians al termine del Campionato hanno perfezionato l'acquisto del promettente e già riserva campione in classe A a Wels MM Fabrizio dimostrando un'ottima unità d'intenti tra i due allevatori che hanno intenzioni di presentare ai concorsi più importanti il nuovo acquisto. Tante altre sono state le trattative tra allevatori e tante sono le operazioni in corso dimostrando che il mercato è in continuo fermento è questo per l'Italia, per l'Anica e per chi gravita attorno al mondo del cavallo arabo non può essere che motivo di soddisfazione per l'allevamento italiano.

Al termine della gara di morfologia di cui abbiamo appena trattato si è disputato un altro campionato, quello dedicato ai cavalli allevati in Sicilia, un modo per gratificare il lavoro e la dedizione di questi allevatori che in una terra meravigliosa si dedicano all'ampliamento e al continuo miglioramento del cavallo arabo, in chiusura del servizio troverete le foto con i protagonisti di questo concorso speciale.

Sarà l'atmosfera calorosa, l'ambiente amichevole e, perché no, la buona cucina, fatto sta che, francamente, è sempre un piacere tornare in quel di Cinisi, ogni anno, un appuntamento che richiama sempre ottima qualità e grandi numeri. Anche quest'anno l'organizzazione si è prodigata perché tutto fosse perfetto e con qualche piccolo accorgimento, siamo sicuri, riusciranno nell'intento. Per intanto un plauso al sig. Vito Lo Giudice, agli allevatori che, in massa, sono accorsi a questo appuntamento che rende merito ad una regione, la Sicilia, degna di un appuntamento annuale di rilievo. Le possibilità ci sono tutte. Arrivederci sempre più numerosi nel 2008. □

owned by Fontanella Magic Arabians and presented by Franck Sponle, a truly unique horse, especially when in a standing position. Giuseppe Fontanella must be praised for taking part in all the Italian shows – in this case there were as many as 16 horses from his stud. The Reserve title went to FG Makao presented by Paolo Capecci of Arabian Training Center Ca' di Gianni (another center that greatly supported the Cinisi show), who knows this horse very well and obtained great results with him. Once again, this stallion proved to be very competitive and won another title on behalf of Katane Arabians. At the end of the Championship, Tripodi Arabians and Katane Arabians finalized the purchase of the promising and Reserve Champion in class "A" at Wels MM Fabrizio. This proved the joint intention of the two studs of making the presence of their new purchase felt at the most important shows. There were many other negotiations among breeders and many transactions were underway, showing that the market is buoyant, which can only be a source of great satisfaction for Italy, for ANICA and for those who are involved in the world of the Arabian horse.

At the end of the conformation show which we just reported, there was another championship dedicated to horses bred in Sicily. It was a way to reward the hard work and devotion of the breeders of this wonderful island to expand and continuously improve the Arabian horse. The full results of this special competition are provided at the end of this article.

It was probably the welcoming atmosphere, the friendly environment and, why not, the good food, but it is always such a great pleasure going back to Cinisi every year, an appointment that attracts high quality and large numbers. Once again this year, the organizers bent over backwards so that everything ran smoothly and with a few minor tweaks we are confident that they will succeed. In the meantime, a big "well done" to Mr. Vito Lo Giudice, the breeders who gathered en masse for this unmissable appointment which greatly rewards and give prestige to Sicily. The opportunities are all out there. See you in 2008 with an even bigger participation. □
