With the temperature soaring into the 40 degree Celsius the atmosphere at the East coast Arabian Championships was still exciting as ever. Held in the indoor arena at Sydney International Equestrian Centre from the 3-5th February seen some of Australia's best horses out in action. The extreme heat did not even deter the riders who gave it their all to compete for one of the most prestigious awards, to take home a much wanted Champion ribbon. To even receive a Reserve Champion or Top 5 at this event brings tears to the owners and all involved.

With the flood crisis in Queensland and Victoria it did not keep those travelling the long distance from coming, friends united and although the heat took effect everyone enjoyed themselves. Stables were lined with fans offering some relief whilst some competitors had blow up pools in the breezeways and at their camp.

We had the privilege of Marianne Tengstedt from Denmark judging our halter horses and how Marianne endured the heat we will never know.

Marianne reports that she was very pleased and honored to have been asked to judge this show, having been to Australia some 11 or more years ago, she was impressed with the quality of the horses presented in her classes and said that there were horses there that would be competitive internationally.

Among the standouts for her was the very beautiful Champion Senior Mare Karisma (Magnum Psyche x Karmaa imp USA) and the Champion Junior Colt RHR Heir of Marwan (Marwan Al Shaqab x Lc Psychesheireess and her Junior Champion 2yo Filly the very feminine Klassical Dream MI (Klass x Mustang's Magnum).

Others that deserve a mention include the Champion and Reserve Arabian Riding Pony Champion Karate Kid and Reserve Tokyo Joe, who are of course full siblings! Champion Junior Warmblood Warawee Beyonce, who the judge also commented was a really lovely moving filly!

Marianne enjoyed her time in Australia, even

The East coast program format see the judging of the young halter horses on Thursday and Friday the senior horses came out with finalists being chosen to go through to the Saturday night Finals.

The arena dressed elegantly for Saturday night, although numbers seemed down due to the heat the atmosphere was still breathtaking. The NSW Arabian Horse Association committee had this show running like a smooth engine with classes running to time most of the show.

With the Yearling Arabian Filly Final first up the Champion was awarded to the pretty Gameelah KA presented by Future Farms and owned by the Wake, Young & Cleary group, the Reserve Champion going to Shaylen Park Bint Allah owned by Kerry Higginson. The yearling gelding was won by Emphatik owned and bred by Vanessa Crosland of Syrah
