Egyptian Event Europe

Lo splendido scenario di Lanaken, in Belgio, in perfetta posizione strategica vista la vicinanza all'importante città di Aachen ben conosciuta da tutti gli allevatori, ha ospitato l'International Egyptian Europe Event. La manifestazione ha registrato un ottimo afflusso di pubblico e i cavalli non sono certo mancanti in quantità e qualità. Ospiti internazionali e cavalli provenienti dall'Egitto e da tutta Europa si sono sfidati nel bellissimo ring predisposto per l'occasione. Sotto il patronato della Sceicca Lulua Al Sabah gli organizzatori, ben supportati dagli sponsor che hanno reso questo evento unico, hanno saputo creare un'atmosfera davvero piacevole. Nei tavoli vip, infatti, si respirava un'armonia di norma inusuale in una competizione agonistica di ruolo. Grande merito quindi va alla famiglia Oben ed alla famiglia Bielen che sono stati davvero impeccabili per i giorni della manifestazione. Di seguito TuttoArabi vi propone tutte le immagini e i risultati di uno show davvero ben organizzato. □

The International Egyptian Europe Event took place in the wonderful Belgian town of Lanaken, which is strategically located in the vicinity of Aachen, an important town that all breeders should be acquainted with. The event was attended by plenty of visitors and saw the participation of a great deal of excellent horses. International guests and horses from Egypt and all over Europe rivalled in the beautifully arranged ring. Under the patronage of HH Sheikha Lulua Al-Sabah, organisers were able to create an agreeable atmosphere in collaboration with their sponsors, making this a unique event. At VIP tables there was an unusual mood to this type of show. Sincere gratitude must be expressed to the families of the Obens and the Bielens, who were perfect hosts through the event.

TuttoArabi is bringing you all the pictures and results of the masterfully set-up show. □
