This year, the spectacular show in Menton, is celebrating its 20th birthday.

A show loved by many Arabian horse lovers all over the world and were everyone is looking forward to ever since it was organized by Mrs. Christine Chazel, for the first time, back in 1991. Thanks to her devotion and enthusiasm, this Arabian Horse Championships is still one of the prestigious shows in Europe.

Judges for the this edition of the Menton show were: Mr. Manfred Hain and Willi Poth from Germany, Dr. Nasr Marei from Egypt, Dr. Marek Trela from Poland and mrs. Marie-Louise van Wijk from South Africa. Ringmaster of

the event was mr. Philip Jenkins from the United Kingdom.

153 horses were entered. The beautifully designed catalogue was reading the who is who in the Arabian horse world. Former world champions, leading sires and champion producing mares combined with promising youngsters. A real treat for all spectators.

Because of its 20th anniversary, the organizers of the show also wrote down inside the catalogue who were the winners of the very first show, held in 1991. A good time to reflect on 20 years of horse breeding and to see what was the hype back then and what the Arabian show horse has become to-
