

# THE 2021 BRAZILIAN NATIONAL ARABIAN HORSE SHOW

by Mario Braga

**T**his year the Brazilian National Arabian Horse Show celebrated its 40th birthday in great style. In a proof of competence, optimism and resilience the board of directors of the ABCCA (Brazilian Arabian Horse Breeders Association), led by President Rodrigo Foz Forte, made sure to leave no detail uncovered and delivered a state of the art event in every sense.

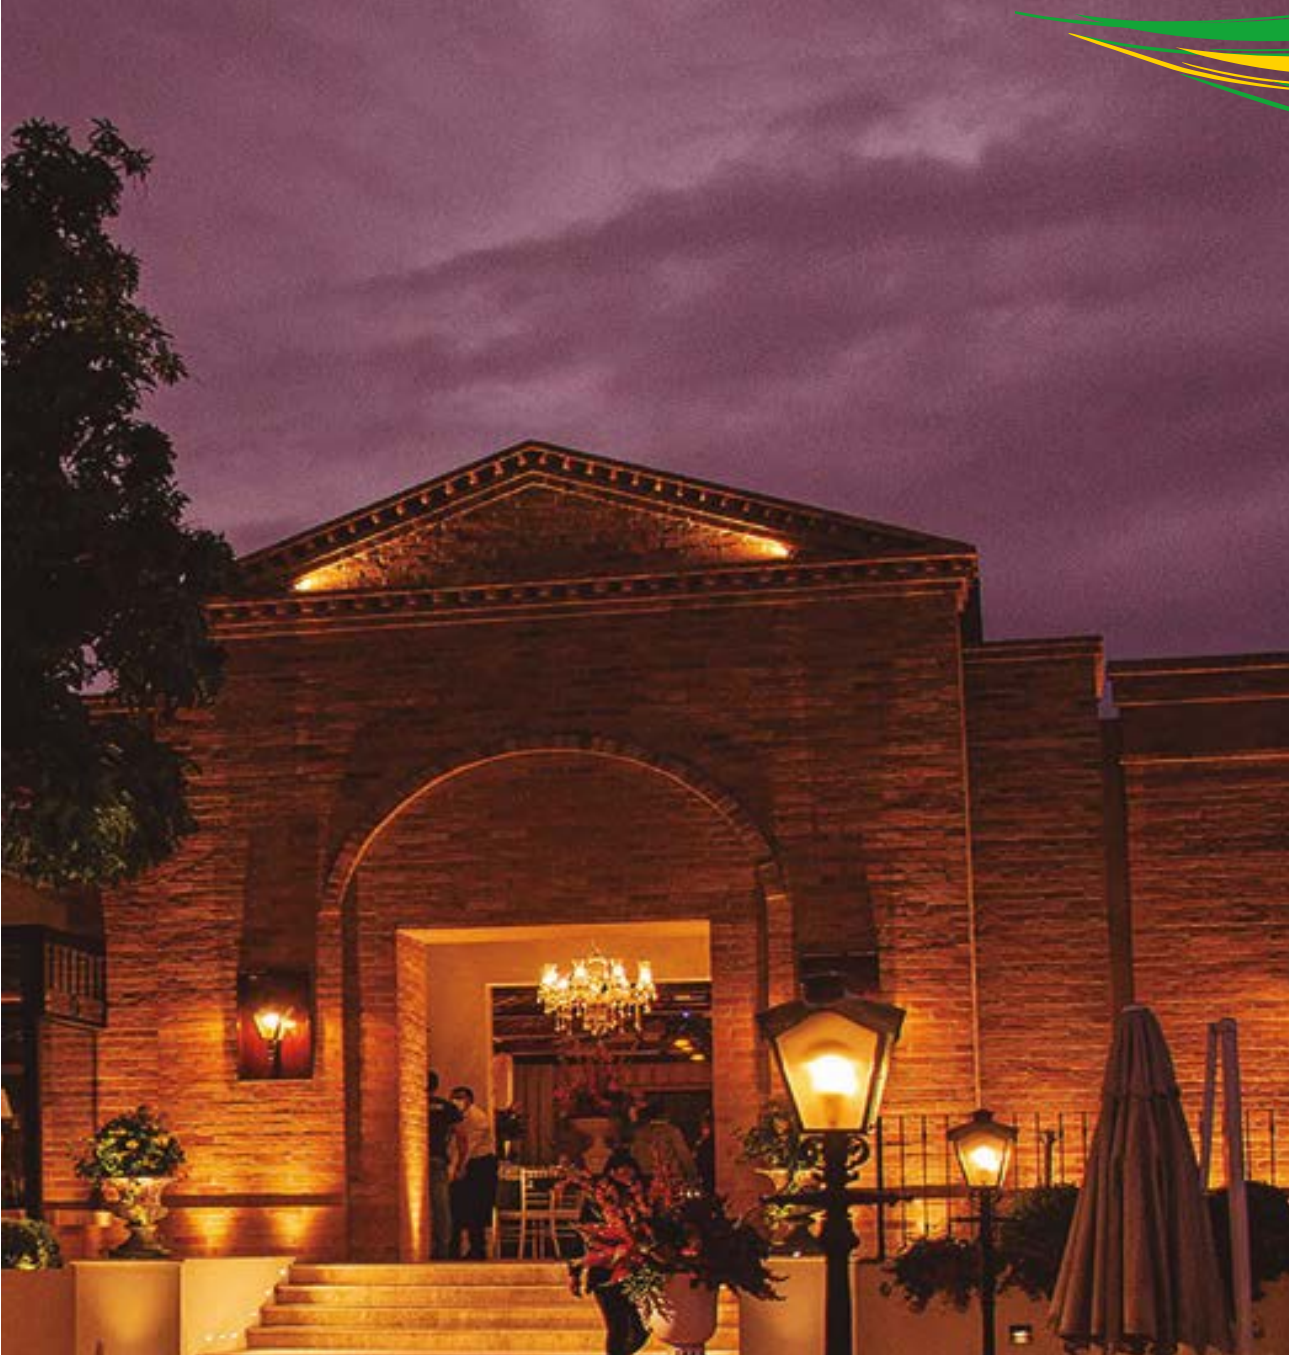

*Board of directors of the ABCCA*

For an entire week everyone who had the fortune to attend was able to take out their minds of all the troubles and worries and enjoy the Arabian horse at its best. A time to encounter breeders from all over Brazil and abroad, meet new friends and cheer for an array of extraordinary quality horses presented to the audience.

The show was held once again at the beautiful Helvetia Riding Center, in the city of Indaiatuba, from November 10th until the 13th, starting with the Brazil Cup on Wednesday and then the National championships from Thursday till Saturday.

On the following days, three farm tours were organized. The first at Haras Vila dos Pinheiros and the second at Haras das Faias, both presenting their unique breeding programs with many past national and international champions included. The last event was held back at the show grounds. It was called "Special Presentation", a

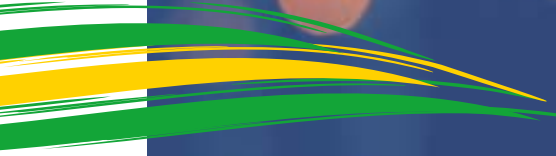

new format that was created to showcase the sale of horses, embryos and breedings from some of the best known programs from Brazil but also bringing visibility and access to smaller and newer breeders.

Apart from the show itself a beautiful gala dinner was offered to the guests. A night to render homage to so many deserving people who contributed to the history of our breed in Brazil, including heritage breeders, handlers, riders, photographers, judges and the board of the ABCCA.

A highlight of the night was the five minutes standing ovation for Pole Levy, of Haras Capim Fino, who has been the record holder of number of consecutive nominations as the best breeder of Brazil.

# THE 2021 BRAZILIAN NATIONAL

**T**his year the Brazilian breeders made sure to bring their best of the best for the 40th celebration of the National Show. From the younger classes to the senior championships the depth of the quality proved once again that Brazil has been and still is one of the toughest grounds for show competition anywhere in the world. Interestingly enough it would be hard to notice any highly and tense competitive mood just by walking through the stands, for the overall atmosphere of friendship and joy amongst breeders and competitors always prevails.

A very diverse panel of judges was summoned for this year's Nationals: Christine Jamar from Belgium, John Rannenberg and Scott Brumfield from the U.S.A., Jerzy Bialobok from Poland, Mohamed Machmoum from Morocco and Leonardo Pinheiro Machado from Brazil.

The classes started on Thursday morning and one could see that there was not going to be any easy win this year. All the age groups were extremely competitive and the judges a lot of work in their hands.

The Junior Junior Filly Championship was won by the beautiful grey filly My Best Surprise FWM, a daughter of \*Bandit out of the El Tino daughter Nahla El Madan, bred and owned by Casa Branca Agropecuária Ltda.

Junior Junior Colt Gold Royal Dominion

It is interesting to observe the strength of certain dam lines that manage to stand out despite the incredibly hard competition. In the Junior Junior Filly, the mothers of the Gold and Bronze Champion are full sisters, Nahla and Darlena El Madan, and Nahla also produced a Top Ten mare later on at the show.

The mother of the Silver Champion WWR Mystic Angel is also the mother of the Gold Filly Champion Mystica JSZ. In the following championship a son of Only Serondella won the Silver prize and started a sequence of unparalleled

victories for five of her offspring that will be mentioned later on this article.

In the Junior Junior Colt Championship the lineup was nothing short of amazing. Two sons of Dominic M and a son of AF Maden shared the podium. Taking the Gold was the impressive bay Royal Dominion (Dominic M x Lumiar Ethna by RFI Maktub), bred and owned by Royal Arabians he is a maternal brother to Royal Asad, being out of the recently deceased black beauty Lumiar Ethna, what makes him even more precious.

*Junior Junior Colt Silver Vision Serondella*

Another impressive bay colt to earn high honors was Vision Serondella ( AF Maden x Only Serondella by AAS Elishahh), bred and owned by Haras Serondella he seems to have an assured place as a future sire for the Amorosino family.

*Junior Junior Colt Bronze HK Gran Valehoso*

The very typey chestnut HK Gran Valehoso (Dominic M x HK Sweet Musique by HDF Lugano) bred by Cesar Schmidt of Haras Katu and Humberto Florezi of Haras Al Hosçan was chosen the Bronze Champion.

Ffanatica was bred and is owned by Cesar Schmidt of Haras Katu and Haras Al Hosçan. The traditional Haras dos Faveiros, owned by Dr. Jairo Queiroz Jorge and family, bred the elegant chestnut that took the Silver in the Championship. Pretty Lady JQ is by Dominic M out of the FA El Shawan daughter Nubbya El Shawan JQ. Tradition also runs in the blood of the Bronze Champion Filly, Deriva LM (Titanium LM x Khidayra LM) being the fifth consecutive generation of Haras Paiquere (Tercio e Lucio Miranda) breeding program. Her mother was also named Bronze Champion in the very deep Senior Mare class in the following day.

The Colt Championship brought in three very distinct and yet very handsome youngsters. All three of them from show winning mothers and internationally acclaimed sires. The Gold Champion was the exotic grey Kamal Ali HEC sired by the Chilean National Champion stallion HP Ali from whom he inherited his incredibly chiseled head out of National Champion Khyki HEC, bred and owned by Haras Estancia California. The Silver Champion Polahris HVP had already turned many heads when he won the coveted title of Premium Cup Champion at the Brazilian Breeders' Cup two months before. He is by the U.S. National Champion Polidoro FC, a son of DA Valentino and Abha Palma, both U.S. National Champions themselves. His mother Chaaris RBV is a daughter of World Champion Hariry Al Shaqab and was imported by Haras Vila dos Pinheiros, who also bred and owns Polahris HVP. The Bronze Champion was yet another son of the amazing Only Serondella, this time sired by Preludio OSB, Brazilian National Champion and the reigning U.S. National Champion Stallion.

*Young Mare Gold Preferida Rach*

Friday night was the time to watch the finals for both the Young Mares and Young Stallions. The classes were unusually large for the audience's delight, but the usual quality was evermore surprising.

From the seventeen mares that were entered in the Young Mare class, ten were chosen to continue their aim for the Gold. The victory went to Preferida Rach, a beautiful bay mare aptly named by the Salibas, her breeders and owners, since her name means favorite in Portuguese and that's exactly what she was: a crowd favorite. Preferida Rach was last year's Silver Young Mare Champion and a National Gold Champion Filly in 2019, so this win is the crowning for a successful string of victories.

@2021 André Shiwa

*Young Mare Silver Felma LA*

Felma LA, another beautiful bay mare was the winner of the Silver title. Owned by Cristiane Durante Guardia and bred by Haras Cruzeiro, who had leased her father Mashoor Al Mohamadia with Haras Engenho for two years, Felma is a second generation bred at the farm. Her mother Bela LA is by their chief sire and Brazilian National Champion Sihr Ibn Massai. Mashoor is by two iconic World Champion siblings; both bred by Marieta Sallas of SES Planes and both by Marwan al Shaqab, Abha Qatar and Abha Palma. He left a total of 55 get in Brazil prior to his return, two of which went all the way to the top at Nationals, Felma LA and her brother Fuad, later named National Gold Champion Senior Stallion.

*Young Mare Bronze Rhaydee Serondella*

The Bronze title went to Rhaydee Serondella, a beautiful bay daughter of El Tino and Only Serondella, the show's Silver Champion Senior Mare and the

mother of five winners at the show. Besides Rhaydee, her daughter Simply Serondella (by TS Khidam al Shawan) received Top Ten honors. If that wasn't enough yet a third Serondella bred placed among the top ten mares, the fabulous Gazal Al Shaqab daughter Rhavina Serondella.

Senior Mare Gold FT Sofia El Bogart

And finally on Saturday there was the grand finale, the much-awaited Senior Finals. The mares were the first to enter the ring to be judged. It was a very deep class in terms of quality, highly praised by all the five judges, with several past National Champions and Champion producers shown. Following the choosing of the Top Ten, the announcement of the three winners was released.

Haras Paiquere won the Bronze with its beautiful homebred Khidayra LM, a daughter of World Champion Khidar out of a daughter of Erbil, imported from Poland and a son of the icons Monogramm and Esklawa. Earlier in the show her daughter Deriva LM was named Bronze Junior Champion Filly.

@2021 André Shiwa

The multi National Champion Only Serondella came back to the ring bringing along five of her sons and daughters and managed not only to emerge as the Silver Champion Senior Mare, but also had the distinction of having all five of her get placing in their age classes and four of them winning in the championships. She is a daughter of AAS Elishahh out of Jelabie Serondella who is a daughter of Vektor El Ludjin, a son of Ludjin El Jamaal and the Bey Shah

daughter Shanngai. She represents five generations of the Serondella program and is most definitely the pride and joy of the Amorosino clan.

The battle for the Gold was truly epic and the victorious mare was the ethereal grey FT Sofia El Bogart. A mare of exquisite type and movement who came into the ring with her head held high almost as if she was certain that the highest podium was rightfully

hers. She gave an amazing show with her handler Arthur Nascimento and her victory brought her fans to go wild with joy. By the Ali Jamaal grandson Bogart El Perseus out of the Magnum Psyche granddaughter, FT Sofia was brought back to the show ring after a long hiatus. She was the mother of last year's Silver Champion Stallion FT Saeed (by\*El Tino) and is bred and owned by Flavia Torres and Bra Machado from FT Arabians.

# PERFORMANCE CLASSES AND ADITIONAL CLASSES

## Western Pleasure

Western Pleasure classes have always been favorites among Brazilians when it comes to performance. The first Brazilian bred performance horse ever to win in a big show abroad, was Munir HCF a bay Western Pleasure horse bred by Haras Capim Fino who reached high honors at the Scottsdale Show back in the early 90's. The gifted Zezé Rodrigues rode Munir HCF to the victory then and this year he won 3 of the 4 Western classes at the Nationals with ZR Training Center.

This year four classes were offered in the Western division: Maiden, Young Horses, Senior and Open. Winning those respectively were:

**Young Horse Champion** – Lady Miracle FWM (\*FA El Shawan x Mega Star LL), bred and owned by Casa Branca Agropastoril. Ridden by ZR Training Center.

In addition to the halter and performance classes the show also brought the popular most classic, the Liberty Class, the Get of Sire and Produce of Dam classes. All five of her get placed in their classes, Veron, Vison, Unno, Simply and Rhaydee Serondella. Two of them won Silver honors and two of them won Bronze championships. That unparalleled achievement assured her an instant place in the World Aristocrat list not to mention that it contributed considerably to the title of both best Breeder and best Exhibitor of the show that was earned by Haras Serondella and the Amorosino family.

## ANCAF

The circuit of ANCAF was concurrently held in the outside arena of Helvetia Riding Center. It was a record breaker in every sense and a success beyond every previous addition. The number of entries and exhibitors was extremely high, proving that the ridden Arabian Horse has never been more popular, thanks to the great joint work of the Functional Arabian Horse Association and ABCCA, who have been strongly fostering ridden events in all the parts of Brazil, with incentives for young riders and introducing prize money awards.

This year 8 categories were offered in barrel racing, five in base racing, three in Cross-Country and one in Show Jumping.
