

13th AHO Breeders' Championship Egypt 2024

by Tomasz Hebda ■ photos by Ewa Imielska-Hebda

Arabian horses are deeply intertwined with Egypt's history and culture. For centuries, they have been celebrated as symbols of nobility, strength and beauty. Ancient Egyptians cherished horses for their agility and loyalty, using them in battle, ceremonial events, and as prized possessions of royalty.

From the 21 to 23 of november 2024 the 13th AHO Breeders' Championship in Egypt captivated us with its celebration of arabian horses, blending beauty, competition and culture. This event set in Cairo, a

city steeped in history and hosted at the premises of prestigious Rabab Stud, once again brought together arabian horse breeders, trainers, and enthusiasts in an atmosphere of hospitality and shared passion.

Rabab Stud, a jewel in Egypt's equestrian landscape, provided an ideal setting for this event. Its pristine facilities and picturesque surroundings offered a professional yet inviting atmosphere. Guests were treated to not only breathtaking horses but also Egypt's renowned hospitality.

The championship was as much about fostering community as it was about competition. Visitors remarked on the event's friendly and welcoming atmosphere with the audience cheering enthusiastically for every competitor. Spectators from different cultures came together, celebrating a shared admiration for the arabian horse. The show was filled with energy as fans supported their favorites while embracing the spirit of unity that defines equestrian events.

The competition featured diverse classes from foals to senior horses and a panel of international judges: Ms. Gabriela Thiry (Poland), Mr. Abdelaziz Al Marzooqi (United Arab Emirates), Mr. Fausto Scanzi (Italy), Mr. Hassan Al Mannai (Qatar), Mr. Jassim Al Mesbah (Kuwait), Dr. Mahmood Faraj (Bahrain), Dr. Mahmoud Mohsen (Egypt), Mr. Mohamed Badrawy (Egypt) and

Mr. Taha Khoudri (Morocco) ensured high standards of evaluation.

Set against Cairo's historic charm, the championship became a celebration beyond competition. It offered breeders, trainers, and enthusiasts an opportunity to connect, share expertise and celebrate their love and passion for arabian horses, which often is a passion passed through generations. The event's lively atmosphere and warm reception made it a standout experience, reinforcing Egypt's role as a leader in equine culture.

The 13th AHO Breeders' Championship was a resounding success, blending competitive excellence with community spirit and it was a pleasure and honour to be a part of it. □
