بطولة الظفرة لجمال الخيول العربية  
Al Dhafrah Arabian Horse Show

*This show was just the latest of a great show season 2020-2021 organized by EAHS consisting of the UAE National, the Emirates Arabian Horse Breeder, the Abu Dhabi International and the above mentioned Al Dhafrah Arabian Horse Championship. All the shows by EAHS were impeccably organized, paying the utmost attention to compliance with regulations, both in terms of anti-Covid regulations and, above all, with regard to the rules of the show, to the hospitality of the guests and to the well-being of the horses and their handlers. Owners and breeders enjoyed to participate in the shows as much as the spectators who had the chance to attend events amongst the most important and relevant ones in the world. Moreover it was possible to follow all the events in streaming through EAHS' social channels and the Instagram profiles*

*of Tutto Arabi Magazine, EAHS' media partner. All the success EAHS shows have had in terms of participation and followers has been thanks to the breeders and owners who believed in EAHS and did everything they could to be present with their horses at these events, even in such a difficult period as the pandemic. Our warm thanks goes to all the people involved in show organization and management who strove to give the best service possible and have done everything in their power to give a decisive boost to the world of shows and not let breeders, owners and enthusiasts lose hope. And finally, thanks to those who have always lived this passion and do not miss an edition of the shows organized by EAHS and keep alive the feeling that binds us to the Arabian horses and the desire to breed and show them to the world.*
