*We were looking forward to the resumption of the shows in Italy after a long wait made even harder by the last period. We were looking forward to it, all the more encouraged by the splendid sunny days that have accompanied us throughout April and the spring-like temperatures that make nature more voluptuous and exciting. We wanted to be together, in the open air, watching beautiful horses and meeting our breeder friends, owners, organisers, judges and the media to share our passion for Arabian horses once again.*

*Spring International Arabian Horse Show fulfilled all these expectations and our desire to finally start the show season in Italy. The beauty of the new location in which it was held, the Scuderie San Giorgio, in Verolanuova in the province of Brescia, was the magical frame of an event organised down to the last detail by Arabite Horse Events on 24th and 25th April.*

*An International C Show of all respect affiliated with ECAHO and ANICA, and sponsored by ASI Associazione Sportive Sociali Italiane recognised by CONI, with 99 registered horses that competed in an International Egyptian event, an Italian Breeder Show and a Futurity Championship, giving each others hard time.*

Many participants came from outside Italy, giving the show an international scope. The streaming was provided by Arabian Essence that took care of the live broadcast of the show, giving fans from all over the world the opportunity to follow the show and not to miss the chance to see some promise for the future among the participating horses.

The international jury invited to judge the horses was composed by: Dr. Vet. Gianmarco Aragno from Italy, Mrs. Anna Stefaniuk from Poland, Mr. Cedex Bakker from The Netherlands, and Mr. Eric. Gear from France. The all-female Disciplinary Committee was composed by Dr. Vet. Patricia HassPilborg from Denmark, Mrs. Ils Van Dun from Belgium and Dr. Vet. Grazia D'Amico from Italy. Ringmaster was the Italian Mr. Mario Bonomi. The Italian and English speaker was Mr. Nico Belloni. Music by Mr. Lars Grootswagers from The Netherlands. Official Photographer of the show Mr. Alessio Azzali.

Tutto Arabi Magazine was the Official Media Partner of the event.

Claudio Mazza has realized with his staff the dream of organizing the Spring International Arabian Horse Show in spite of all the problems that Italy faced in March and the many restrictions imposed and in the end he managed to organize a new event in a beautiful location. Arabite Horse Events has opened the Italian season of shows and its activity doesn't stop: Mr. Claudio Mazza and his staff are putting all their energies in organising their next event and they are waiting for you at the 2021 Milan International Cup on 7th and 8th August in the same location, Scuderie San Giorgio, for attending the International B Show, the International Egyptian Event, the Italian Breeder Show and the Futurity Championship.
