

THE 2022 ARABIAN BREEDERS

The large, lush green polo fields of Scottsdale's Westworld was a splendid setting for the magnificent horses presented at this year's Arabian Horse Breeders' World Cup. Once again horses from around the world competed for the honor of this show's titles as well as the spectacular awards, which are second to none with their beauty and artistry. The 2022 Breeders' World Cup and participants wish to thank His Royal Highness, Mohammed VI, King of Morocco and his Royal Stables, Haras de Bouznika for his gracious and generous patronage of this world class event.

As with every show held outdoors, weather is always a major concern. Thankfully, mother nature blessed us and we all enjoyed the incredible energy of the brilliant Arizona sunshine, which always lifts the spirits and creates a magical atmosphere. You could see and feel the joy of the horses as they entered the lush green show ring where they trotted and pranced before the cheering crowds and the panel of esteemed international judges. The quality of the horses at this year's show did not disappoint - they were thrilling!

Throughout the four days of the show, there was an undeniable festive party mood. The Breeders' World Cup is so much more than just a competition, it is one of the most highly anticipated events of the year created by Arabian horse breeders for breeders and everyone is welcome. Each day everyone gathered to celebrate the beauty of the Arabian horse with old friends and new and to have a wonderful time. Following each day's competition, there was a sumptuous party hosted by a local farm, which allowed conversation about our favorite subject and to see even more fantastic horses and breeding programs.

The Breeders' World Cup remains a favorite American event, not only for the horses themselves, but also for the fun atmosphere of the show created by the camaraderie of the breeders and the support they give each other. It's like a family reunion - a gathering for the family of Arabian horses lovers where everyone is welcome. Each year, as stallions do their duty, mares are bred, and new foals are born, our lives become intertwined and our family expands. There are no borders, no limits to this family or to the beauty of the Arabian horse.

On the following pages are some of the winners and champions of this year's show. We congratulate all who participated and thank you for your support. For complete show results, judges' cards and more, please visit us at www.arabianbreedersworldcup.com

We hope you will join us next year for the 2023 Arabian Breeders' World Cup. We look forward to welcoming you!
