

Pietrasanta

L'arte del Cavallo

What took place in Marina di Pietrasanta on 14th and 15th May was the 21st edition of this event. Once again the wonderful Versiliana park hosted the Arabian Horse International B Show E.C.A.H.O. This show, historically and masterfully organised by Mr. Luciano Borzonasca, is sponsored by the Region of Tuscany. The show is not only a morphological competition for Arabian thoroughbreds, but an event that encapsulates all the spirit of tourist hospitality typical of Versilia and its administration. Starting with the Mayor himself, Mr. Alberto Stefano Giovannetti, who followed the entire event on a daily basis. We saw him award the categories together with the councillor Francesca Bresciani and the president of the Versiliana Foundation, Cav. Alfredo Benedetti, as well as congratulate the organisers and participants in concerts, shows, literature and political conferences. We saw all the authorities thank the artist Marco Cornini, who created the poster for this 2022 edition, as well as the beautiful bronze statue exhibited over the two days in the centre of the ring. This closeness of the incumbent public administration to the public and all those present was the right attitude of human and friendly hospitality. It is also an immense pleasure for all of us insiders to immerse ourselves and stroll along the avenues of the park and breathe in the scent of the centuries-old maritime pines, to taste the regional specialities on the stalls of local artisans, and

to spend what little free time the horses give us during the shows in bucolic and relaxing activities. This is why I want to use the introductory phrase from the Arte del Cavallo catalogue: ...an appointment not to be missed...

Here, a phrase to encourage all those breeders or owners who missed an important appointment for the world of the mounted and morphological Arabian horse this year.

Speaking of the mounted Arabian horse, I would also like to mention the impressive show held by Mr. Christian Da Pos "The Stallion Power" and congratulate the young participants in the Western Pleasure test judged by French judge Mrs. Berengère Fayt.

The morphology classes were judged by Mrs. Berengère Fayt herself, Mrs. Claudia Darius (Germany), Dr. Gianmarco Aragno (Italy), Mr. Cedès Bakker (Netherlands) and Mrs. Anna Stefaniuk (Poland). In the field Mr. Cristian Moschini in the role of Ring Master. Dr. Vet. Giampaolo Teobaldelli, Mr. Amadio Sparapan and Mrs. Barbara Raso were the Disciplinary Committee.

Fantastic and engaging music by Mr. Gianluca Filippi. The voice that punctuated every second of the competition was Mrs. Miriam Boschini.

Streaming and results can be found as always at www.arabianessence.com, the photos you are about to see are by Mrs. Sunita Sassudelli. □
