ARABIAN HORSE SHOW 2024

“On behalf of the AAHA Board of Directors, I would like to thank all of our sponsors, patrons, judges, exhibitors, and volunteers for making this years show a huge success. The quality of the horses was incredible with many classes full of past national champions and perhaps future national champions. The show is called the Greatest Horse Show on Earth and this year, it truly was!” ~ Paul Glans, AAHA President

The 2024 Scottsdale Arabian Horse Show marks the 69th anniversary of the event known as “The Greatest Horse Show On Earth”. With over 1500 horses competing in seven arenas in halter and numerous performance disciplines, the Scottsdale Arabian Horse Show is the largest in the world. However, it isn’t just the number of horses competing that make this the greatest show on earth, it’s everything comes with world-class Arabians. This show is truly an international event with horses, breeders, and owners from around the globe attending. Scottsdale has long been considered the center of Arabian horse breeding and showing in the United States with some of the largest and most influential breeders as well as some of the most beautiful farms calling this city home and they are proud to welcome their equine guests to this amazing desert oasis.

The following pages showcase the champions of the primary purebred halter and breeding classes, including the Scottsdale Classic classes, the International Arabian Breeders classes, and the Straight Egyptian and Egyptian Heritage classes. The Scottsdale Classic classes were judged by two panels. Judging Mares, Fillies, Geldings, and the SSS classes were Mike Beethe, Bruce McCrea, and John Rannenberg. Judging Stallions as well as SSS classes were Donnie Bullock, Brian Ferguson, and Jeremy Harper. The international classes again welcomed guest judges who joined three American judges. The panel included Steve Dady, Van Jacobsen, John Ryan, Giacomo Capacci, and Robbie Den Hartog. The quality of every show is greatly affected by the quality of the judging and we thank these gentlemen for contributing their expertise and professionalism while at the Scottsdale show.

Every year, we welcome hundreds of thousands of people to the show, those participating with the show, as well as the general public. Yet there are thousands who only wish they could attend. For them, we provide the always popular live feed. This year, we had the honor of welcoming a new sponsor, the Global Champions Arabians Tour, who very generously covered the live feed, making this service available to viewers around the world. We thank them and all of our wonderful sponsors who support the show through their important contributions.

We hope you enjoy this showcase of magnificent Arabian horses from the 2024 Scottsdale show. Plan now to attend next year, the dates are already set. Join us February 13-23, 2025. "It is always an honor to judge the depth of quality at the Scottsdale Arabian Show. The changes made to the International arena were well received and beneficial to the exhibitors and horses alike. The horses I judges in the International classes were exceptional and the classes were very deep and I felt the exhibitors did a fantastic job presenting their horses. Congratulations to all of the owners and exhibitors.... A job well done!"

"It was a great year to judge the halter division with the most amazing weather we've had in years! We had many beautiful classes in the female group. Our Junior classes were outstanding. Our 2-year-old filly went on to be unanimous Junior Champion and was my favorite of the show. Our Senior mares were wonderful with an amazing front line in the championship. It was an honor to judge so many beautiful mares! I felt the Signature classes were also very deep with superb champions! That program is still very strong!"
