HORSE

Every time I go to Lybia I am amazed by the way how people in that country grow with and admire horses – particularly but not only – Pure bred in all aspects of their use – breeding previews, shows, races, auctions gather crowds in every age and material status and, what is rare those days, they don't come there for prize money, posh atmosphere or to win the trophy only – they come to enjoy, touch, take a photo with Arabian horse or simply - cheer their family member's or friend's horse. Prize giving ceremony become a family gathering with everyone invited to have own photo with the champion. I had a pleasure to be part of Lybian Nationals for the second year in row and I can observe the raising quantity and quality of horses presented at the show. This year also the organisers – Lybian National Arabian Horse Center and Lybian Arabian

Horse Breeders Society made it with the special antourage comparable to the elegant shows worldwide and the hospitality during the event was great as always. What was new and spectacular this year was the big Arabian race horses auction with around 100 lots being sold during 2 days event taking place before the show and – what made the championship even more exciting – all the gold medal winners were presented a Suzuki cross-country cars! The quality of horses and the judges verdict made three out of four of them given to one lucky winner...

The show gathered over 100 entries being judged by international jury: Ms Maha Ibrahim (EG), Mr Fausto Scanzi (IT), Mr Basil Jadaan (SY), Mr Taha Khroudi (MA), Mr Mahmoud Mohsen (IT).

◀ Signing the Memorandum of Understanding between LAHBS and ARMECPSA

While the whole event was attended by big numbers of spectators the championship day was really crowded with the most important guest including high politicians hosted by the Presidents of NAHC and LAHBS. It is also important to mention that before the whole event had started the Memorandum of Understanding on future cooperation was signed between LAHBS and its sister organisation of breeders from Morocco - ARMECPSA.

The finals were opened by Junior Fillies Championship that was almost unanimously won by CB Mimi (by SQ Ageeb) bred by Brugman Arabians and owned by Abdulkarim Ramdan Nafis. This delicate and refined filly was one of the highest scored horses (92,30) and the winner of 2 years old class - one of the biggest group in the show. Just behind her

also with majority of votes as a Silver Junior Champion Filly was placed CB Linda by Magic Magnifique – bred and also owned by the same names as the gold medalist! The podium was completed by exotic and very sire look alike Singoalla O by AJ Nawash bred by Sweden Arabians and own by Hani M Almahjub.

Junior Colts Championship was a very nice quality group of males with very interesting origins. Two of them were bred by Nayla Hayek in Switzerland – these were: unanimously chosen and highest scored horse of the whole show, Junior Gold Champion Colt - HA El Carino by HL El Ganador owned by Ahmed Najeed Alamami and the Junior Bronze Champion Colt – HA Maximux by AJ Marzan, owned by Abdulkarim Ramdan Nafis. Between them came Athos SH by

EKS Farajj bred by Sea Horse BV and own by Abdulkarim Ramdan Nafis. Senior Mares finals were taken by storm by one owner – Ahmed Najeeb Alamami and absolutely breathtaking Kenant El Sherouk by Ezz Al Musbah. This beautiful, feminine mare scored almost 92 points was bred by Abd Alrahman Reshdan in Egypt and she is the big favourite of every Libyan Nationals in the recent years. Silver and Bronze medals in this category were taken by the mares that were placed on top in the largest class of the show (21 entries!) - in the same order as they finished in the class: a dark beauty, very correct and good mover Farah DA by Dominic M bred by Danubius Arabians as silver and rare, chestnut daughter of EKS Farajj - Kalila J born at Jadem Arabians. What would make the big winner even more happy? – Another gold, unanimous this time? This

dream came true for Mr Ahmed Najeeb Alamami in the following championship of the Senior Stallions which again was a quality group pleasant to watch and for the jury not that easy to judge. But they perfectly made the unanimous verdict choosing beautiful, chestnut FA El Rasheem son Hani Al Shiraa bred by Al Shiraa Arabians in UAE for the gold medal. He was also one the highest scored horses of the event with 92,30 points! As Silver Champion Stallion was handsome chestnut AJ Portofino son – BV Laos bred by Bautista Vich Stud and own by Naser Farag Ben Salem and the podium was completed by Straight Egyptian, Libyan-bred Ameer by Ktmandu MB bred by Othman Bubteina and owned by Feras Othman Bubteina. A very nice, national accent of this truly international level championship!
