## INTERNATIONAL SHOW GOLD MEDAL SENIOR STALLION

**RAFEA AL RAYAT**  
EXCALIBUR EA x ALAA AL RAYAT

**W**e have reached the sixth edition of one of the most important shows in Italy, precisely in the city of Ottaviano, a typical town of about 25 thousand inhabitants located at the foot of Mount Vesuvius along the eastern slopes of the mountain massif 20 km from Naples. The show this year took place over two days, June 24 and 25. The scenery is striking, the air you breathe smells of the sea, and the warmth of the people warms you more than the southern sun. There are many good reasons that let this show grow over the years. This year the Vip Area was sold out. The Organizer of the show is always him, Donato Prisco, who thanks to his love for horses began years ago to create at his home, first a show ring, then a VIP area equipped with a kitchen and oven for pizzas that are baked by the hundreds daily, a clubhouse dedicated to foreign guests and judges, and functional cafeteria in the parking area to never exclude anyone. This passion and initiative has been able to develop and make it concrete thanks mainly to the trust of the entire Prisco family. Supported as well as by all his loved ones, and his friend Roberto Ceccaroni that has contributed to the success of the event. This show has come a long way over the years. But back to our 2025 event,

on Saturday 24 all the classes of the more than 60 horses entered took place. First the International Championship was held.

First the International B-Ecaho Championship was held, which was judged by an international team : Mrs. Maria Ferraroni (Italy) - Mrs. Bérengerère Fayat (France) - Mrs. Janice McCrea (USA) - Mrs- Anna Stojanowska (Poland). With all categories concluded, the "Straight Egyptian" show began and was judged by a new jury consisting of: Mrs. Kathleen Ohlsson (Sweden) - Mrs. Jennifer Dhombre (France) and Mrs. Gabriela Thiry (Poland). Ring Master and DC, on the other hand, remained unchanged throughout the entire weekend. Congratulations to Mrs. Lizette Svenson from Sweden. The disciplinary committee consisted of Mrs. Maria Vittoria Pancani (It), Mr. Gabriele Gallo (It), Dr. Vet. Mohammed Hammad (Egypt) and Mrs. Christine Kaiser (Norway). The voice in the two languages, Italian and English was by Mrs. Diana Bovoloni, the music that accompanied us as well as for the competitions also during the gala evening. Music organized by Mr. Toni F.

INTERNATIONAL SHOW GOLD MEDAL SENIOR MARE

*In the late afternoon we had the "Straight Egyptian Championship" which concluded the day and was awarded the first Gold medal for Junior Fillies "JAMILA BY JASSARA" by Mr. Santo Cracchiolo. Silver "VANLASH PPJ" owned by Donato Prisco and Bronze medal "KHALEEFA" owned by Mrs. Rosa Lo Iacono. In the Junior Colts category is Gold "TB HAYDAR" owned by Mr. Abed Burkan, his second and Silver medalist "MESSI" owned by Pasquale Pizzo. Bronze medal for "AMHAR DEL SAR" owned by Mr. Francesco Gaito.*

*We now move on to the Senior categories and see Gold the broodmare "SAWHA EL DINE" owned by Al Safir Stud. "SANA AL WAAB" is Silver and owner Mr. Giuseppe Baragiani. Bronze for "KHEFERA" owned by Mr. Agostino Iovino. Last championship of the day for the Stallion category that sees Gold Medal "D K'HAILAN" of Dubai Arabian Horse Stud, Silver medal for "AA NISAN" of Alassil Arabians and Bronze "AURA NUSAIR" owned by Mr. Matteo Marchetti. So many foreigners, both in the competition and as spectators demonstrating how this event has become a fixture for all of us from year to year. Then*

*again, the commitment for an event that has more than 500 daily guests is considerable, but the Prisco Family during these two days is totally dedicated to doing the honors and overseeing that everything goes well, and it is this attention to the smallest detail that makes for a well-deserved success. Saturday's day continues during the evening with dinner provided at the arena and the presentation of the Prisco house pearls, presented by professional Handler Mr. Baragiani. Giuseppe Baragiani: we start right away with the stallion "Martial PPJ" (Naseem Al Rashediah X Dalila By Sabah) who gives us a magical moment - followed by "GHAZI AL NASSER" (Gazwan Al Nasser x Sarah Al Nasser) - to end with the splendid "DA LITTLE PRINCESS" (Lawrence El Gazal X Da Jussdiva) who won the mare class category at the World Championship in Paris.*

*As is customary for this unique show, hospitality and dinner at the tables was totally provided, the typically Parthenopean menu made the many foreign people appreciate Italian food, from traditional pizza to typical fried pizza, to the famous Campanian mozzarellas and sweet Babas.*
