The first days of May 2026 welcomed us in Rabat. As Morocco's capital of lights, where cultural heritage and refined tradition meet it brought a sense of dignity and presence to an event devoted to the beauty, spirit, and enduring legacy of the Arabian horse, providing an especially graceful setting for the 2026 Emirates Arabian Horse Global Cup. The Moroccan stage

of the competition unfolded in a venue closely tied to the country's equestrian identity as it was held at the premises of The Institute National du Cheval Prince Héritier Moulay El Hassan, under the generous patronage of His Highness Sheikh Mansour bin Zayed Al Nahyan UAE Vice President, Deputy Prime Minister, Minister of The Presidential Court and Chairman of the

Board of Directors of Emirates Arabian Horse Society, with the follow-up of His Excellency Sheikh Zayed bin Hamad Al Nahyan, Vice Chairman of the Board of Directors of Emirates Arabian Horse Society and Chairman of the Emirates Arabian Horse Global Cup Committee. With the excellent organisation done by the Société Royale d'Encouragement du Cheval (SOREC) we were offered a high-level event which as the third stage of the second edition of the Emirates Arabian Horse Global Cup stood as a tribute to a breed admired across generations and continents.

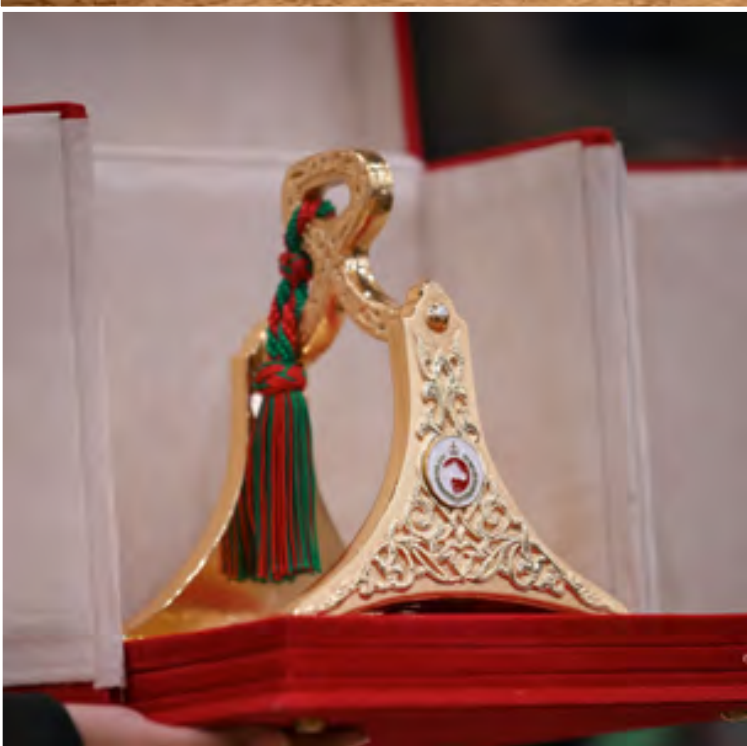

Morocco offers a particularly fitting backdrop for such a gathering. With its deep equestrian traditions and long appreciation for Arabian bloodlines, the country lends the event both authenticity and distinction.

This year's Moroccan leg brought together a strong field of competitors across multiple categories, from yearlings to mature mares and stallions and the stage reflected the remarkable depth of Arabian horse breeding in the country. For breeders and owners alike, it offered a rare opportunity to present horses of exceptional type,

movement, and presence before an audience that understands their value.

The Emirates Arabian Horse Global Cup has become an important platform for the international Arabian horse community, uniting breeders and enthusiasts around a shared devotion to excellence and preservation. Following earlier stages in Australia and Bahrain, the Moroccan round added a distinctly North African chapter to the series before it continues to other parts of the world. The event was both a celebration and a statement - of heritage, of horsemanship and of the country's place on the global Arabian horse stage. In Rabat, elegance and tradition meet naturally, giving this third stage a setting that felt both fitting and memorable. □
