

TRAPANI ARABIAN HORSE CUP

by Fabio Brianzoni ■ photos by Giovanni Messinese

During the weekend of 8th and 9th May was held the International C show organized for many years by Mr. Antonio Culcasi, this year helped by his daughter Federica, returned from abroad after 5 years. In spite of the name always brings back as locality Trapani, the show was held in a modern equestrian center, around 30 km from the city. The “Pietra dei Fiori Equestrian Center” is located in Buseto Palizzolo, an area of Sicily totally cultivated with vineyards. The surrounding hills are of a bright green, not usual for a land burnt by the sun. Here the panorama is nothing short of amazing. The blue sky typical of the island was the frame of the two days of the show and a light breeze made our stay even more pleasant. The event was followed by a large audience and was streamed by a very professional local station WWW.ARBANHORSECUP.IT where you can also find both the video of the show and the scores for each horse.

The international jury was formed by: from Qatar Mr. Hassan Al-Mannai, from the Netherlands Mrs. Paola Bohmer, from France Mr. Daniel Souppat and finally our most experienced judge Dr. Gianmarco Aragno. In the arena the ring master was Mr. Mario Bonomi and

the disciplinary commission by Mr. Marco Capelli and Mr. Roberto Ceccaroni. Speaker and voice of the days was Mrs. Vittoria Abbenate. The equestrian center is certainly very well equipped and prepared for each type of event, has very large boxes for horses, stands for the public and a luxurious restaurant. What is sad is to see that an international show with an equally professional jury had only about sixty horses registered. Especially in a wonderful location like this. It is now clear that in these two years of pandemic the life of all of us has changed, but we cannot allow ourselves to weaken even more. Let's take advantage of the opportunities, show the world your horses, participate actively by helping each other. Sicily is a land of Arab horses, it has a history of Berber horses and today is the region with the largest number of horses in Italy. I have seen a remarkable growth in breeding in Sicily and I think that with some effort we can soon see some subjects worthy of participating abroad in major categories shows. However, I am always happy to attend horse events in Sicily, great food, great horses and above all the warmth and kindness of people which here is unique. Now I leave you to the pictures by our photographer Mr. Giovanni Messinese (giovannimessinese@hotmail.it). □
