### TROPHY

12 - 13 JUNE 2021 OTTAVIANO

text by Fabio Brianzoni      photos by Alessio Azzali

*T*housands of pages would be needed to talk about the beauties to be found in Campania. Just to mention one: Naples, its gulf, the islands, Vesuvius, Pompei and Ottaviano. Here we stopped and let me describe this town in a few lines. In Roman times, Ottaviano was a village of houses within a vast estate belonging to the family of Emperor Augustus.

The territory of Ottaviano has always had a strategic-military importance as from its dominant hillside position it could control the Via Popilia (Via Capua - Regium). It was the scene of several battles, starting in 73 B.C. where Spartacus defeated Gaius Glabro. In 1933, on the bi-millennium of Octavian Augustus, the name of the city was definitively confirmed as Ottaviano. In the following years, the city has been named after princes, dukes and historical figures such as Francesco de Medici, Armando Diaz, the Gonzaga family and many others.

But let's get back to the present day, or rather let's go to 12th and 13th June, when the second edition of the Vesuvius Trophy was held in this splendid city. An event that encompasses three events: the first, the most eagerly awaited by breeders, is the ECAHO-affiliated C National show. The second one was the Straight Egyptian Event and last but not least this year the open day of the breeding farm owned by Mr Donato Prisco, Patron of the initiative and of the organisation of this great event, which was very awaited.

The Prisco Family, for this 2021 edition, has demonstrated the ability to manage a great event. They have been invited to judge the National show Mrs. Claudia Darius (Germany), Mrs. Maria Ferraroni (Italy), Mr. Eric Gear (France), Mr. Hassan Al Mannai (Qatar) and Dr. Gianmarco Aragno (Italy).

For the Egyptian Event three other world class people, both

as judges and breeders. Mrs. Kathleen Ohlsson from Sweden, Mrs. Antonia Bautista from Spain and Mr. Klaus Beste from Germany.

For both shows Dr. Laura Mascagna was Ring Master, and the task of D.C. was entrusted to Mrs. Barbara Raso and Dr. Vet. Giampaolo Teobaldelli. A highly professional and experienced staff, totally managed by Mr. Roberto Ceccaroni, a worthy ambassador and a great help to the host Mr. Donato Prisco. I would like to thank him and the entire Prisco family for their gracious hospitality and my sincerest compliments for organising such a high level show. The presence of the Mayor of Ottaviano, Dr. Luca Capasso, made the event even more prestigious.

On Saturday 12th, at the end of the show, the most interesting event took place, the "PRISCO ARABIANS" open day. The pearls of the Prisco Arabians paraded under the spotlight in the ring. The breeding farm boasts straight

Egyptian and pure Arabians. The warm voice of Nico Belloni was able to perfectly describe the beauty and elegance of each subject. They were masterfully presented by a young and emerging handler, Mr. Giuseppe Baragiani, who you will soon hear about at European events.

In order to better understand the level of organisation of the shows, I would like to point out that, as for the most important European and world events, here in the heart of the city of Ottaviano no one and nothing was overlooked. The photographs were taken by two of the best professional photographers in the sector: Mr. Alessio Azzali and Mr. Simone Bergamaschi. The streaming was provided by Arabian Essence. In addition, the wonderful music by Mrs. Halizee Ht have accompanied the presentation.

Now I leave you enjoying the pictures of the medals and their scores.
