Celebrating 20 years of Arabian Horse Weekend!

Since the first edition in 2004, starting as a small show combined with sport in the south of the Netherlands, the Arabian Horse Weekend is grown into a worldwide known International B-show and European C-show. At 20 and 21 May the 20th Anniversary of Arabian Horse Weekend was celebrated at the luxurious and spacious Dutch Equestrian Estate in Schaijk, the Netherlands. With more than 100 entries it was a successful weekend with very high quality of horses. Each year the Stoop family, Pieter, his wife Ine, their daughter Annelieke and her husband Ralf Heslen create something new. Also this year they surprised everybody with the nice details according to the 20 years anniversary. When entering the VIP area, first thing to catch your eye was the big banner with pictures from the past 20 years. Also this year the Arabian Horse Weekend had the pleasure of Tutto joining the weekend with the Tutto Photobooth, here everybody could make an everlasting memory. The catalogue was a real piece of art and for those who noticed, the horses who were Best of Show winners over the past years were beautifully printed in the catalogue. The Wall of Fame got an update where the past Best of Show winners were shown. The AHW signature trophies, hand made garlands for the champions, hand made artwork by steel and the hand made paintings had some nice details this year's edition including the 20. A great atmosphere again welcoming guests from all over the world.
