Without any doubt, this year the Prisco family has won its own personal championship, just as Napoli Football Team did, achieving all the goals it set for itself 4 years ago when Donato Prisco embarked on the organizational adventure of a show in the south of Italy. Today, we can say that the goal has not only been achieved but even enriched the show scene in the country. Many breeders from northern Italy have already participated in this impeccably organized edition, and surely also thanks to the streaming of Arabian Essence those still wondering whether to register their horses for this event will already be planning their attendance for next year.

Donato Prisco is a breeder, born out of a passion for horses and then focused on the Arabian breed. He is an entrepreneur determined to design and build something that brings together breeders and owners in an event where the horse and sportsmanship is the winner. Donato at his debut thinks of a different show, an International show where he will be himself, with the companies he collaborates with, sponsors of the event. He builds an elegant VIP area, a bar with attached barbecue, a clubhouse in front of the prering intended for the presentation of his own breeding production and a ring totally sown with grass for the show. Donato is a good creator but to realize one's dreams it is essential to surround oneself with willing and above all trustworthy people. The trust and moral support all comes from his large and wonderful family and wife Giovanna. But orchestrating and directing the workers will be longtime friend Roberto Ceccaroni.

The Ecaho-affiliated International C show kicks off on Saturday, June 10, in Ottaviano in the province of Naples, the event also includes an Egyptian Event but only on the morning of the 11th. The program is very rich, not least because in addition to the 92 actual and present horses to be judged, an auction is held on Saturday evening for as many as 21 breeding and embryo horses worldwide. A spectacle within a spectacle that of the auction conducted with sympathy and professionalism by Francesca Aragno and Francesca Canis. Above all, a great opportunity for Italian breeders to be able to buy an embryo or stud that today are unobtainable no matter how famous or transferred to the Middle East.

A highly technical staff is invited to run the two-day event: let's start with the judges, Mrs. Claudia Darius, Mrs. Antonia Bautista, Mrs. Maria Ferraroni, Mr. Gianmarco Aragno, Mr. Ceddes Bakker, Mr. Eric Gear. In addition to these judges also invited for the Egyptian Event were: Mr. Giorgio Rossi and Mr. Cristian Moschini both from Italy. Also from Italy is the DC and Ring master team, consisting of Dr. Angelo Teobaldelli, Mrs. Barbara Raso Mr. Alessandro Marino and Gabriele Gallo. The Mayor of Ottaviano, Mr. Biagio Simonetti is also involved in the event and volunteered to award some categories.

What more can be said except that it is a beautiful weekend, where everything takes place with that serenity of when you are with friends or relatives. □

A special thanks to the Prisco family.
Don't miss the next edition of the Vesuvio Trophy!
