photos by Giovanni Messinese

Now in its 14th year, the Trapani show sells out, both in terms of horses and audience. Over the years it has changed venues, sometimes even cities, but the tenacity and love for his land Mr. Antonio Culcasi has it in his blood and so does the faithful staff that has always contributed to the success of this show. The only show left on the island in Sicily, On May 18 and 19 under the patronage of the Municipality of Trapani represented by Mayor Dr. Giacomo Tranchida, flanked by events councillor Emanuele Barbara and the New Mount Erice Equestrian Group (Mr. Antonio Culcasi) the ECAHO affiliated International Class C was held. The competitions were held in front of the sea, directly on the sandy shore in front of the large Piazza Vittorio Emanuele. The whole area for the occasion was transformed into a tourist attraction for the city of Trapani.

A crowd of onlookers and enthusiasts packed the stands on the beach to admire the 90 horses in competition, also in the square in addition to the horse stalls was set up a small village for children. Trapani is a beautiful city as is all of Sicily, rich in history, culture, tradition, and enriching it with an event with the elegance of the Arab thoroughbred has certainly brought added value to the area.

About 90 horses entered as told for the 6 categories held between Saturday and Sunday morning, while the

championship, after a violent thunderstorm, was held under a warm sun early Sunday afternoon. Seven judges from various parts of the world were invited to judge the horses for the International: Mrs. Janice Aileen MC Crea (U.S.A), Mrs. Kathleen Ohlsson (Sweden), Mr. Eric Gear (France), Mr. Giorgio Rossi (Italy), Mr. Sufian Taha Al Hussein (Palestine), Mr. Alaa Hammad (Bahrain) and Mr. Hassan Al Mannai (Qatar), probationer judge Mrs. Dobrochna Perez Wawrzynczyk from Poland. Also from Poland Mr. Mateusz Jaworski as the Ringmaster.

The all-Italian disciplinary committee was formed by Mrs. Maria Vittoria Pancani and Mr. Roberto Ceccaroni. Technical coordinator of the event Mr. Marco Capelli. The score reading was by Mr. Antonio Latteri, while the music that accompanied the horses and cheered the large audience was by Mr. Giuseppe Buddua.

The success of a show is never so obvious, but here is the soul of those who organized, the commitment of those who participated by bringing horses by ship from the peninsula, the willingness of the institutions to do their best for their city and all the enthusiasm that this area knows how to instill in those who stay here, and I would add: it was a good show!

Now I leave you with the pictures by our photographer for the event Mr. Giovanni Messinese. □
