

Vesuvio TROPHY

INTERNATIONAL SHOW STRAIGHT EGYPTIAN

by Fabio Brianzoni ■ photos by Giovanni Messinese

We have reached the Fifth edition of the most important show in southern Italy, which takes place over two days. Precisely on June 1st and 2nd in Ottaviano, a beautiful and typical town of about 25,000 inhabitants located in the Vesuvian area along the eastern slopes of the volcanic Somma-Vesuvius mountain range 20 km from Naples. The view is striking, the air you breathe smells of the sea, and the warmth of the people warms you more than the southern sun. For this reason, too, I have been pleased to witness the growth over the years of this show, which today boasts a full house at the VIP tables and more than 100 horses ready to show their beauty. International C is its Ecaho designation, but in reality the quality of the horses and handlers present give the impression of being at a superior show. The Host is Donato Prisco who, giving voice to his boundless love for Arabian horses, has created in his home first a show ring, then a VIP area equipped with a kitchen and oven for pizzas that are baked by the hundreds daily as well as a clubhouse dedicated to foreign guests and judges. All this in the Prisco house. Supported by the Prisco family and friend Roberto Ceccaroni this show has come a long way in a very short time and this year was enriched by the "Prisco Straight Egyptian Event" dedicated only to pure Egyptian horses.

Donato's private stables are full of these pearls, such as the stallion Martial PPJ, Saabrizh PPJ and many others, including Unica PPj and the most famous DA LITTLE PRINCESS who won the mare category at the World Championship in Paris and who this year participated with the stars of the world rings in shows of the Global Tour like Katara in Qatar and later at the Title in Dubai. The Prisco Family over these two days was totally dedicated to doing

the honors and overseeing the show's success. The judges entered the field on the morning of Saturday starting right away with the yearlings were: Mrs. Kathleen Ohlson (Sweden), Mr. Ali Shaarawi (Egypt) Mr. Marek Trela (Poland), Mr. Klaus Beste (Germany), Mr. Fausto Scanzi (Italy), Mr. Al Meihem Dhari Abdulmohsen (Kuwait), and with him, also from Kuwait as assistant Mr. Mohammed Al Sahhaf. This short-form jury also judged the Stright Egyptian while Mrs. Lizette Svenson was Ring Master for both shows. The other event officials were as Disciplinary Committee Dr. Vett. Laura Mascagna, Mrs. Maria Vittoria Pancani and Mr. Gabriele Gallo. Mrs. Halizee Huet handled the music for the show and the auction held on Saturday evening.

At 9 p.m. sharp Mrs. Diana Bovoloni and Mr. Erik Blaak opened an Italian and English vocal duet to auction off the 20 lots provided by Vesuvio Trophy for the kind guests. This good idea of the auction, besides being the best way to spend an evening in a convivial way between breeders and owners, is also an opportunity to purchase the semen of big-name stallions or embryos of important mares made available by the Prisco Family. As is customary at this unique show, hospitality and dinner tables were totally provided, the menu varied from sushi to traditional pizza to typical fried pizza, the famous Campana mozzarella, and Babas. Everything is fine, everything is perfect, perhaps, for a few minutes a light rain tried to disturb the futurity classes on Sunday morning but no one paid attention. You can see the winners of the categories and the gold, silver and bronze medals in the photos of the awards by our official photographer Giovanni Messinese (giovanni_messinese_photography). □
