MENTON

This year more than ever it has been a pleasure for us attending Menton Show. Despite the health crisis caused by Covid19, which started in China and spread to Europe and then to the rest of the world, Madame Chazel and her team continued to believe it was possible. They did a wonderful job offering to the people a great show in a suggestive frame and special details like the Dress Code Tawny and White and other surprises that as always have excited the guests in a great "French Riviera" atmosphere on the fancy coastline of Menton, France.

Thanks to Madame Chazel and her team, the Arabian horse world enjoyed the Menton show and benefited from the joy of meeting again. To meet up again with friends, contenders and Arabian horse lovers to start over from where we left off. Undoubtedly this instilled hope, joy and emotion in everyone present.

As proof of the fact that everyone wanted to meet and start again in many stables participated by enrolling more than 90 horses of the highest quality as can be seen from the results. In a succession of emotions the best horses were awarded by a jury of excellence, all under the supervision of the most experienced DC. The organizers did a great job managing the event without any interruption. Madame Chazel and her staff were great in managing all the duties that occurred, focused on the best result as a show and for the show.

TuttoArabi has never missed Menton Show since it started

its adventure in the Arabian Horse World - even realizing the numbers for handlers - and also this year has witnessed how professional and important the organization by Madame Chazel and her staff has been and has reconfirmed that the Arabian horse world can count on the highest quality also in the management of events, which is fundamental for this passion to be enjoyed and shown to the world with fairness and professionalism.

Menton show comes on everybody's favourite time of the year, summer. The weather was perfect, warm and sunny during the day, fresh during the night. The leitmotif this year and the dress code were "Tawny and White", - so fun, so "French Riviera" and so stylish - as every year the two Ladies love to remind to their guests. We have to say that almost all the exhibitors and VIPs respected the suggestion creating a great staging.

This is definitely an event not to be missed and a great opportunity to add some extra days of holiday on the coast of Monaco or in the Côte d'Azur.

Many spectators, all the media and Arabian horse lovers this year were at the event as Menton show is one of the most awaited appointments of the year. A real A-show with only the best of the best.

We are looking forward to next year. Enjoy all results including the special trophies and all the pictures taken by our photographer Mr. Alessio Azzali.
