Over years this event was growing, following the needs of the riders. The ECAHO Sport rulebook is a result of what was going on, on this event all these 20 years.

This event brings the Arabian horse riders, owners, breeders, lovers, together! It is just family!

The City of Vienna is so close, to use this weekend and the days around also for sightseeing. The stables and the venue are ideal for this combination!

Large Pleasure classes as never seen before. Only the 1.-10 placed riders are competing in the European Championships Finals!

Several Breeders Associations supported their teams for to cover the costs.

First time the class Children on lead was created. Kids up to 7 years on a lead showed their ability to ride a horse, depending to their age. Some of the best horses where used under saddle. In walking a Trail must be done. For the little ones a security person could walk by the side of the kid. It was the greatest fun of the whole show! The kids did so well,

enjoyed the ride as well as papa & mama by the side. Here the new generation of riders is coming!

Hobby Horse Tombola where the kids could win a Hobby horse was after the classes. 12 horses!

Few years ago, the Hand trail was created. The riders, handlers, owners love these classes. Trail with young or less experienced horses helps to start them for the event.

Special awards for the longest way to travel: Team Denmark was coming as every year 1.600 km!! Thank you, Helena & Carina Byrne!
