This absolute unique Sport event for purebred Arabian horses is very special. Classic & Western competitions are mixed during the days, the riders know each other since many years, they are friends. This makes a very warm atmosphere. See all these laughing faces on the pictures!

Over years this event was growing, following the needs of the riders.

The ECAHO Sport rulebook (GREEN BOOK) is a result of what was going on on this events all these 21 years.

This event brings the Arabian horse riders, owners, breeders, lovers, together! It is just family!

The City of Vienna is so close, to use this weekend and the days around also for sightseeing. The solid stables and the venue are ideal for this combination!

Three Championships in three different levels of difficulty

for all riders of ECAHO member countries were offered. Exiting Trophies !

Sunday, on the last day of the event, the Best of the Best compete in the European Championship Finals. Saturday the Qualifier was the Masters Championships. Here the numbers of entries in the classes raised up to 15,16,17! Large Pleasure classes in Hunter Pleasure & Classic Pleasure & Western Pleasure. Only the 1.-10 placed riders are competing in the European Championships Finals!

Several Breeders Associations supported their teams to cover the costs.

The class Children on lead take place again. Champion Horses was used with sweet kids! Kids up to 7 years on a lead showed their ability to ride a horse, depending to their age. Walking a Trail must be done. It was the greatest fun of the whole show! The kids did so well, enjoyed the ride as well as papa & mama by the side.

Hobby Horse Tombola where the kids could win a Hobby horse was after the classes. 12 horses were given for free to all kids by ballot.

Few years ago, the Hand trail was created. The riders, handlers, owners love these classes. Trail with young or less experienced horses helps to start them for the event. Classic & Western horses started.

Unique was that Dr. Pauli gave his star horse ZAHIMS NAVII to a 15 year old girl to participate in Ladies Side Saddle western! This was sensationally! On the borough saddle of Sissi Chat, Anna Naglmüller, GER won the Newcomer Championships & became Silver in Masters & European Championships. After a short introduction in the way how to ride Ladies Side Saddle!!
