This year marked the first year of the International Amateur Show, the 22nd year of the Czech National Championship and the 13th year of Prague Intercup, where Prague Intercup was held for the first time as an A International Show. The event was held at the Chuchle Arena Racecourse, Prague's historic racecourse, built in 1860 by Archduke Karl Franz Josef, Governor Count Karl Coudenhove and Prague Mayor Dr. Karel Groš. Renovated over the years, the showground is a ten-minute drive from the historic center of Prague. Thanks to the shuttle service provided by Kopecky, a BMW and Peugeot dealer, transfers were always on time, swift and convenient. Hospitality was also in the center of Prague, at the Maximilian hotel, a stone throw away from the famous Old Town Square, where the Astronomical Clock is located, a destination for ever-growing tourism in this wonderful city. Usually there were two days dedicated to this event, but as of this year the event started Friday morning, as the program had been expanded. Despite the set schedule, things almost did not go as planned due to a strong tropical

like storm, which late Wednesday evening swept over the showground and brought everything down, destroying days of hard work, tents and meters of led banners. Fortunately, the hard and dedicated work of the highly organized staff ensured that in an extremely short amount of time everything was fully restored, just as if nothing had happened.

On Friday, August 18th, with the opening of the first two shows, the marathon for the Disciplinary Committee that presided over all the shows also began, and consisted of: Mrs. Irena Cieslak (PL), Mrs. Line Brunsgaard (DK), Mr. Peter Hegemann (DE), Mr. Farhang Fazeli (IRN) and Dr. Mohammed Hammad (EG). Alternating speakers throughout the event with dual languages were Mrs. Zuzana Slaviková (CZ) and Mr. Eric Blaak (BE). Music and sound were taken care of by Karel Zbiral (CZ). The daunting task of the Ringmaster, made even more challenging by the beating sun, was given to Dr. Abdel Wahab Amira (UAE), who made sure that everything was running perfectly in the ring.

The three day event started with the International Amateur Show, which was held for the very first time. It is worth emphasizing that as in all other sports, shows need a pool of young amateurs who want to demonstrate their skills in smaller competitions, to then have the opportunity to learn from the professionals and later enter the professional world of bigger competitions. So thanks to the owners of those 19 horses present, who participated in this amateur competition, young talents could be shown to the international judges, Mr. Scott Benjamin (AU) and Mrs.

Anna Stojanowska (PL). After the Amateur Show, the early afternoon on the same day marked the beginning of the Czech National Championship, judged by Mrs. Helen Hennekens (BE), Mr. Klaus Beste (DE) and Mr. Jerzy Bialobok (PL). Excellent quality and a record number of participants for this year's show, marked a considerable improvement in the quality of the newborns, fillies and colts. The Czech National Championship was followed by the National Classic Pleasure ridden class judged by Mrs. Helen Hennekens (BE) and Mr. Scott Benjamin (AU).

FA EL RASHEEM PRESENTATION

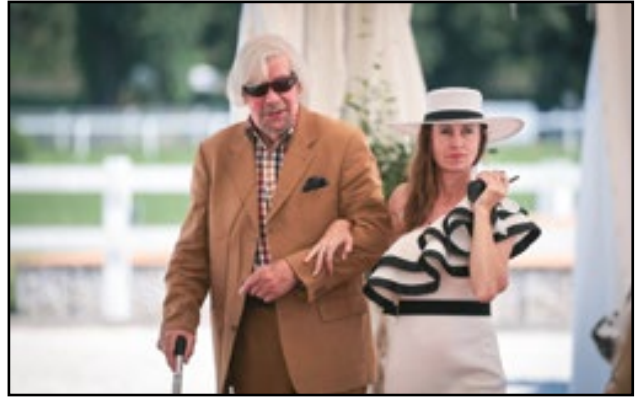

FA EL RASHEEM
(FA EL SHAWAN x VIRTUOSA MLR)

On Friday evening a "Welcome Evening" with dinner was held, in order to welcome the guests to the Prague Intercup weekend. On this evening the organization managed yet again to amaze the guests and attendees, with a welcome surprise: in a play of lights and colors cast on the 30 meters of white tents, encompassing the history of Prague Intercup, beginning in 2010 until now. Swiftly leading us to the

enthralling music, accompanied with the breathtaking presentation of an exceptional breeding sire and top stallion, bred and owned by Dubai Stud, FA EL RASHEEM (FA EL SHAWAN x VIRTUOSA MLR). Paolo Capecci who presented him, gave everyone in attendance a chance to witness a perfect specimen of an Arabian horse at close range.

On Saturday morning, a special event was organized before Prague Intercup, in form of a seminar called **BREEDERS FORUM**, where the main subject was the direction taking place in the world of the Arabian horse. Two legendary speakers were invited to speak at this event. First of the two was Mrs. Judith Forbis, who after creating the ANSATA line with her husband Donald and writing many books certainly needs no introduction. The second speaker was Mr. Peter Upton, a renowned painter and writer of many books, now successfully devoting himself to painting (with a solo exhibition in Doha, Qatar; under his belt). Mr. Scott Benjamin and Mr. Erik Blaak played the roles of moderator

and presenter, respectively. The two speakers took turns on the stage, sharing their history and their knowledge, followed by accurately documented numbers of memberships in the various national associations over the years, the developments, the existing differences, and future visions for the breed. The audiences, both attending the event live and watching the livestream online, could participate either with questions or comments towards the end of the event, which altogether lasted just under 3 hours. You can rewatch the **BREEDERS FORUM** in its entirety on Arabian Insider's Facebook and Instagram profiles.

In the afternoon, the international classes welcomed everyone to Prague Intercup, where seven judges were invited to judge: Dr. Vet. Gianmarco Aragno (IT), Mrs. Marianne Tengstedt (DK), Mr. Allan Preston (AU), Mrs. Claudia Darius (DE), Mr. Ali Sharaawi (EG), Mrs. Janice McCrea (USA) and Mr. Sufian Taha (PS).

Sunday morning was dedicated to mares and stallions in the international competition, where a high quality of horses was presented to the judges and the public. During the lunch break a short game dedicated to all children present at the event was held, a team race with wooden horses. Sweltering heat, frenzied by cheering and excitement, again showed us that when there is fun to be had, children know how to involve us adults as well.

The early afternoon initiated the Championships, both International and the European Cup simultaneously, where the last mentioned is dedicated exclusively to horses born and owned by Europeans. As said before, regarding the quality seen in the Czech National Championship, some local breeders were also able to compete here at a higher level. Next year will surely see even more horses at the Czech National Championship, but potentially also more local entries at the A International Show.

Special thanks to Mr. Drazen Lazic who patiently and professionally supported us.

Official photographers of the event were Mrs. Sylwia Ilenda and Mr. Simone Bergamaschi
