GERMAN NATIONAL CHAMPIONSHIPS

The last weekend of September is always reserved for the prestigious All Nations Cup in Aachen, traditionally starting with the German Nationals to warm up the crowd! Since last year, the horses participating at the German Nationals were also judged in liberty, which means the horses can show their movement free in trot and gallop without handler inside the arena. They are then at a later moment judged in hand on movement in walk and trot, type, head and neck, body and legs. Judges for this event were Mrs. Eberhardt, Mrs. Hennekes van Nes and Mrs. Stojanowska. All judges communicated together and together they decided for the points per criteria.

Unfortunately there were not so many horses present. The junior filly championships, aged 1-2 years, was won with 50.75 points by Aurelia JMA (HL el Ganador x Aurora JMA), bred by Josef Murawski and owned by Hanaya Arabian Stud. Second with 49.50 points and Silver was IS Eufemia (Ascot DD x IS Elanda), bred and owned by Ismer Stud. Third with 46.50 points and Bronze medal winner was

Third with 49.25 points was HA Excellent (Exagon OS x Mayrse OS), bred by Beluga Arabians and owned by Hanaya Arabians. Later in the championships, HA Excellent took revenge by taking the silver medal, leaving the Bronze to Hamzah.
