**T**he 46th Polish National Arabian Horse Show, held this year in Janów Podlaski from August 9th to 12th, showcased why this event is a cornerstone of Polish equestrian tradition. Attracting breeders, enthusiasts, and tourists from around the world, the event celebrated the magnificence of Poland's finest Arabian horses. It continues to embody the rich history and deep connection between Poland and this noble breed, underscoring a legacy that has endured for centuries.

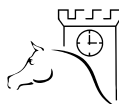

### **A Legacy of Excellence**

Janów Podlaski, home to a globally recognized stud farm, has been synonymous with excellence in Arabian horse breeding for over 200 years. The Polish National Arabian Horse Show is not just a competition but a celebration of

tradition, heritage, and the unwavering dedication of Polish breeders. Horses from the three major state stud farms—Janów Podlaski, Michałów, and Białka—along with those from private breeders, competed in various categories, showing their unique qualities to the gathered audience.

### **Sport Championships for Arabian Horses**

This year's show also featured the exciting Sport Championships for Arabian Horses, adding a dynamic element to the event. Competitors participated in three main classes: "Classic Pleasure", "Hunter Pleasure", and "Polish Traditional Costume". These competitions highlighted the versatility and athleticism of the Arabian breed, showcasing their ability not only as show horses but also as skilled and elegant athletes.

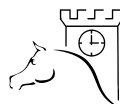

- "Classic Pleasure" tested the horses ability to perform with grace and fluidity under saddle, emphasizing smooth gaits and a calm demeanor.
- "Hunter Pleasure" focused on the horse's suitability for hunting, requiring balanced, ground-covering strides and a relaxed yet responsive attitude.
- "Polish Traditional Costume" class was a vibrant display of Polish heritage, where horses and riders donned traditional Polish attire, emphasizing the cultural connection between the Arabian horse and Polish history.

These competitions were a testament to the breed's adaptability and the deep bond between horse and rider, offering a thrilling spectacle for both participants and spectators.
