CZECH NATIONAL CHAMPIONSHIP
PRAGUE INTERCUP
EUROPEAN CHAMPIONSHIP

2020 has been a difficult year for everyone. Many European countries have seen periods of lockdown and partial openings. At the end of the summer Belgium saw the closure of indoor events and so the problem arose of where to hold the European Championship 2020. A show that normally took place one year in Italy in Verona and one year in Belgium in Leer, as it should have been this year.

In a climate of uncertainty and cancellations, yet unstoppable determination to remain positive and proactive, our ECAHO President Jaroslav Lacina challenged the situation, and in agreement with the Executive Committee of ECAHO and the Executive Committee of ACHPAK (Czech Association for Purebred Arabian Horses), moved the date of the now historic 'Czech National Championship' and 'Prague Intercup 2020' by a week later than planned. This was done in order for the European Championship 2020, which was to take place as said in Belgium in Leer at the end of October, to be moved to Prague by a month and a half earlier than initially planned, so that all the shows could be held outdoors.

Thus, from September 17th to 20th, 3 shows were held: Czech National Championship, Prague Intercup and

European Championship. To arrange 3 shows in 4 days with so many changes in such a short amount of time in 2020? A 'lucid madness', one might think... but fortunately genius and unruliness go hand in hand, proving that ACHPAK had a lot of courage, drive and flexibility, accompanying their amazing team.

We at TuttoArabi have always been present, since the first edition of Prague Intercup international show. Even then, the hospitality and the organization were excellent, and it has remained so over the years. But what this four day event offered this year in the new location of "Prague - Velká Chuchle Arena" was nothing short of extraordinary and unforgettable for everyone. This facility is the historical racecourse of Prague, built in 1860 by Archduke Karl Franz Josef, Governor Count Karl Coudenhove, and the Mayor of Prague, Dr. Karel Groš. Continuously modernized over the years, the structure is located ten minutes by car from the historical centre of Prague and with the usual shuttle service provided by the sponsor "KOPECKÝ", a BMW and Peugeot dealership, the travel has been extremely easy. A jumping arena, with a restaurant structure made entirely of wood and tents, is located in the centre of the racecourse and right there were mounted the VIP tables and the ring with a

preparing ring. Two gala evenings were offered to all guests by the sponsors, whom we always thank with affection for the effort and commitment they put into supporting the world of the Arabian Horse.

In short, a unique event: four days, three shows, two gala evenings, high quality stabling for the approximately 170 horses present, VIP tables, catering, night and day show with archers and riders, the surprise presentation by Giacomo Capacci of the World Champion Kahil Al Shaqab, in the frame of one of the most beautiful and romantic cities in Europe. The weather throughout the event was the absolutely perfect and warm autumn sunny setting one could have only wished for.

The first day was all about the Czech National Show. The judges, for horses born and registered in the Czech Republic, consisted of Mrs. Anna Stojanowska (PL), Mrs. Helen Hennekens (BE) and Mrs. Elisabeth Chat (AT). With the start of the National Show, the marathon for the Disciplinary Committee started as well, which for this show was formed by Dr. Nils Ismer (DE), Dr. Iveta Dudova (CZ) and Mrs. Irena Cieslak (PL). Throughout all four days Mr. Gerard Oben (BE) was the Ringmaster.

The whole event setting was designed and consulted by Mr. Drazen Lazic, as every year with the Czech National Show and Prague Intercup. With speakers who took turns with the double language Mrs. Zuzana Slaviková (CZ), Mrs. Veronika Berková (CZ) and Mr. Eric Blaak (BE). Music and sound for all four days were entrusted to and flawlessly executed by Mr. Karel Zbiral.

The second day, started at 10 am and was entirely dedicated to Prague Intercup, which was masterfully judged by Mr. Gianmarco Aragno (IT), Mr. Jerzy Bialobok (PL) and Mrs. Bérangère Fayt (BE). For this show the disciplinary committee was consisting of Dr. Nils Ismer (DE), Mrs. Irena Cieslak (PL) and Mrs. Elisabeth Chat (AT).

The event took place in serene harmony, crowned by the high quality of the horses presented, coming from all over Europe, which brought together public, owners and breeders to this wonderful show. In the evening, the first gala dinner with a truly impeccable catering service and delightful entertainment was held. The outstanding fire show was performed by Pa-Li-Tchi, followed by the subsequent surprise presentation of the amazing Kahil Al Shaqab accompanied by Giacomo Capacci, which was the highlight

kindly arranged by HH Sheikh Hamad Bin Ali Al Thani and Al Shaqab Stud from Qatar.

Due to the lockdown period and all the restrictions of 2020, the enthusiasm was truly felt and at its highest, manifesting as a clear sign of the love and passion that surrounds the world of our beloved Arabian horses.

19th and 20th of September was all in the sign of the European Championship 2020, which included a new catalogue, new judges and of course new high quality horses too. The DC committee for this show consisted of Dr. Nils Ismer (DE), Mrs. Irena Cieslak (PL), Mrs. Elisabeth Chat (AT) and Mr. Peter Hegemann (DE). The judges invited for the European Championship were Mr. Klaus G. Beste (DE), Mr. Peter Birch (DK), Mrs. Claudia Darius (DE), Mr. Robbie den Hartog (NL) and Mr. Urs Aeschbacher (CH).

During the show, between the classes and the championships we had the opportunity and honor to award three of the winners of the "European Championship Sport Arabians 2020" (TuttoArabi September Edition), an event dedicated exclusively to ridden Arabian horses.

Despite all the problems of this disastrous year, the European Championship 2020 was held with the best possible atmosphere and created a much needed escapism for everyone. Dare I say that we will highly unlikely see another organization with the same characteristics and combinations actually make an event like this one, in such a successful way. Not to mention the extremely short amount of time given to organize all the shows. Thanks to the sponsors, thanks to the technical staff, thanks to the courage of all those present, and finally thanks to Mr. President Jaroslav Lacina, who has even in these challenging times given a strong signal of confidence to everyone in our community, as far as the shows are concerned.

Next important show is planned to be in Paris, which may also prove to be a big challenge to organize in these times, but a show that will hopefully run in the same direction as the ones in Prague. With safety, wonderful atmosphere and a memorable success.

Now I will as always leave you to the results provided by Arabian Essence and the photos by the official photographers Mr. Alessio Azzali (IT), Mrs. Renata Kolářová (CZ).
