The perfect location of Centro Ippico in Vermezzo hosted also this year the event dedicated to the straight Egyptian Arabian horses. The World Straight Egyptian Championship, at its 8th edition, is always a special event and one of the most important appointments of the year, very well promoted in all specialized magazines and also in national TV and press. Tutto Arabi and Desert Heritage were proud to be Media Partners of the event again this year.

Amazing organization in fantastic atmosphere were offered to the guests considering the moment all the world is living due to the covid sanitary emergency.

Especially this year Organizers strove to gather the best of

the best of the straight Egyptian horse breeders despite the possibilities to travel and move horses were limited.

The place was simply amazing, 5 stars boxes, perfect ring and organization, VIP helicopters for the judges, luxury scenery: this was the show offered by the Organizing Committee.

The event was perfectly organized by Special Event Srl and Barbara Morali and Morali & C.

Thanks to the professional support of Mrs Christianne Chazel and Mrs Dominik Briot as Show Consultants the event went into higher level and we can confirm that World Straight Egyptian Championship in Vermezzo remains the

best event nowadays for Straight Egyptian Arabian horses and an event that can not be missed.

The quality of the horses was remarkable, in every class the fight was as a World Championship of Straight Egyptian deserved.

This show is the most important Straight Egyptian event in the world, peerless in Italy for the importance of the VIP area, perfectly managed, and the perfection in service.

There are not too many events dedicated to straight Egyptian Arabian horses so we encourage breeders to come to the World Straight Egyptian Championship in Vermezzo next year.

Even if there is a small amount of breeders of this line in the world, they are capable of great passion and professionalism in maintaining these ancient and important bloodlines handed down to us through the centuries.

The show reached its goal to bring the breeders to show their beautiful horses and to exhibit their abilities, and to connect all the fans.

Enjoy the pictures by Alessio Azzali from the stunning days in Milano with all the results, medalists and special trophies.
