*W*e're finally back to talking about horses. We're back in the Emirates and we did it in style, we participated in one of the most important events scheduled in the Middle East - the National Championship. The choice of location was excellent, the "Boudheib Academy" is very characteristic as it is immersed, like an oasis, in the desert just outside Abu Dhabi. This reality was created by H.H. Sheikh Mansour Bin Zayed Al Nahyan who is also Chairman of the Board of Directors of the Emirates Arabian Horse Society. The equestrian center is not only an indoor arena where jumping or endurance competitions or, as in our case, a PSA show are usually held. The equestrian center was created as a temple for the horse in general. It is an academy where lessons and conferences are held regarding the world of horses in the UAE at 360 degrees.

The choice of the structure and all the strategies is thanks to the great experience of Mr. Mohamed Ahmed Alharbi, Show Manager and Vice Chairman of the show.

Very kind, attentive to every detail and always present Ms. Hamda Alkhajeh has excellently covered the role of Show Manager Assistant.

The show was spread over four days because the new Ecaho regulations provide for a maximum number of about one hundred horses per day. In the case of this event, which attracts dozens of breeders from all over the Emirates, 433 horses were entered.

The entire event took place in complete harmony during the days from October 26th to 29th. Fortunately, the show was

held in an arena pleasantly cooled by air conditioning, given that outside we had 36 degrees centigrade every day. I must say that Mr. Alharbi and Ms. Hamda's attention to detail for the guests was exceptional: the catering was excellent and the food was of high quality, the VIP tables were always clean and well laid out and finally there was an innovative VIP stall exclusively for the use of handlers and insiders.

Excellent also the choice to create another area dedicated to all media, which facilitated the synergies thus contributing to the best realization of the event.

As always, the prize money for the National event was very high, with the horses participating in the categories receiving a prize money of 20,000 Dirham each up to 7th place (around 5,000 euro each). In addition, other prize money was awarded for the final championship and special prizes such as best head, best in show male and female and prizes for breeders.

We are and will always be honored to contribute with our magazines to promote these well organized shows and we thank all the organization and sponsors who help to promote the whole world of Arabian horses. For all those who were not present I leave you with the pictures of our photographer Henrike Hoermann.
