Once again the Prague show despite the weather, climate and pandemic, took place at the "Velká Chuchle Racecourse" where the "Czech National Championship", the "Prague Intercup" and the "European Cup" were held. This facility is Prague's historic racecourse, built in 1860 by Archduke Karl Franz Josef, Governor Count Karl Coudenhove, and the Mayor of Prague, Dr. Karel Groš. Renovated over the years, the building is a ten-minute drive from the historical centre of Prague and with the usual shuttle service provided by "Kopecky", a BMW and Peugeot dealer, transfers were extremely easy. It was very convenient for the organisation and especially for us guests to be all housed in the same splendid "Hotel Maximilian", a stone's throw from the famous Town Hall Square where the Astronomical Clock is located. Dating back to the Middle Ages, it is one of the city's main tourist attractions.

The event is certainly one of the most eagerly awaited in Europe, and the hospitality offered is among the best. Czech association ACHPAK CR, under the leadership of its President Mr. Jaroslav Lacina has been supported for years by a tried and tested staff that is up to the quality that a show like this requires. There are two evening events offered to all guests by the many sponsors, and Friday evening is offered as hospitality to all those involved in the sector: handlers, drivers, technical staff and all those who, to ensure the success of the event, have or will have to work until late at night. To all of them goes a big and heartfelt thank you for the effort and commitment they put in to support the world of Arabian horses.

And so this year we returned to the long-awaited 'normality', two intense days of shows (there was no European Championship) on Saturday 18th and Sunday 19th September. On the first day for the "Czech Nationals" the following were invited to judge: HH Sheika Fatima bint Hazza bin Zayed Al Nahyan (UAE), Mr. Gianmarco Aragno (IT) and Mr. Jerzy Bialobok (PL).

On 18th September, with the start of the "Czech Nationals"

also begins the marathon for the disciplinary committee that also presided over the other two shows, and was formed by: Dr. Abdel Wahab Amira (UAE), Mrs. Line Brunsgaard (DK) and Mrs. Irena Cieslak (PL). With them Mr. Peter Hegemann (DE) was the Ringmaster. The speakers who alternated with the double language were Mrs. Zuzana Slaviková (CZ) and Mr. Eric Blaak (BE). Music and sound were provided by Mr. Karel Zbiral (CZ).

The afternoon saw the start of ECAHO B International show - "Prague Intercup", which includes the "European Cup", a show that awards a real final championship exclusively to horses born and bred in Europe. This year exclusively supported by Al Sayed Stud with the total of 9.000,-Euro prize-money.

Six judges were invited to judge these two shows. From Italy, Mrs. Maria Ferraroni and Dr. Cristian Moschini. Mrs. Claudia Darius from Germany, Mrs. Karin Zeevenhoven from Holland, Mr. Marek Trela from Poland and Mrs. Marian Tengstedt from Denmark.

Thanks to the sponsors who are always the driving force behind all shows and events for Arabian horses. Thanks to the technical staff and the efforts of all those present in Prague, thanks to the Czech Association together with Mr. Jaroslav Lacina who once again put on a prestigious show for our splendid horses.

The next important event will be the World Championship in Paris, and this too will be a challenge to be won in order to never again stop the world of shows, which are the essential element for the thousands of people who gravitate around this business. We will all work to ensure that the event runs smoothly and safely.

Our wish for everyone is to never stop again! Now I leave you as always with the results given by Arabian Essence and the pictures taken by the official photographers Mr. Alessio Azzali (IT), Mrs. Renata Kolářová (CZ) and Mrs. Sylwia Ilenda (PL).
