

# EAHS NATIONAL ARABIAN HORSE CHAMPIONSHIP

6 - 9 OCTOBER 2022

**A**fter immersing ourselves in the atmosphere of Abu Dhabi, which is a really fascinating and modern city, the capital of the United Arab Emirates, that presented us with a wonderful mixture of tradition and progression, we were looking forward to the next Abu Dhabi show.

Abu Dhabi traces its rich history back to around 3000 B.C. and now has become a centre for many high-class cultural and sporting events such as the EAHS Arabian Horse Championship.

Just as the UAE National Arabian Horse Championship 2022, the EAHS Arabian Horse Championship 2022 also took place in the "Boudheib Academy", as it is a perfectly prepared equestrian center. The Championship was held under the ECAHO rules and judged by the panel of judges: Mr. Abdelouahed Maagoul (Morocco), Ms. Anna Stojanowska (Poland), Mr. Elyas Ibrahim Faraj (Bahrain), Mr. Eric Gear (France), Mr. Greg Knowles (USA), Mrs. Marianne Tengstedt (Denmark), Mr. Robbie Den Hartog (Netherlands), Mr. Urs Aeschbacher (Switzerland) and Mr. William Oppen (Argentina) also with judges in probation from United Arab Emirates: Mr. Ahmed Sulaiman Alnuaimi, Mr. Mohamed Ahmed AlAli and Mr. Yousif Ahmed AlAli.

The show was once again professionally organised by the Emirates Arabian Horse Society, with the kind patronage of

His Highness Sheikh Mansour Bin Zayed Al Nahyan.

It is important to say that the Emirates Arabian Horse Society, founded in 1996, registers Arabian Horses in the United Arab Emirates and is the keeper of the studbook. Its duties include defending, with dedication and care, the heritage and purity of the bloodlines of Arabian Horses. The world-class standard and internationally recognised quality of the Arabian Horse in the Emirates is already fully appreciated and is promoted by the EAHS by holding the shows under ECAHO rules and standards – just like this one.

The Show was spread over four days, because this event attracts dozens of breeders from all over the Emirates and in this case 437 horses were entered. Also the prize money for the event was very high, with the horses participating in the categories receiving a prize money of 20.000 AED each up to 7th place (around

5,500 euro each). In addition, prize money of 20.000 AED was awarded also for the gold, silver and bronze champions during the championship.

We are and will always be honored to enjoy and contribute to promotion of such wonderful shows like this one all around the arabian horse world. And for all those who were not present we leave you with the pictures of our photographer Ewa Imielska-Hebda.
