+ *Straight Egyptian Championship*

On 5th and 6th October, the 38th Italian National Championship took place in the wonderful setting of the Equestrian Centre in Arezzo. Once again this year, Italy proudly boasts the largest number of horses, 89 to be exact, present at the event. This figure is important because it demonstrates great perseverance on behalf of breeders within our borders and also shows constancy and commitment on behalf of the national association A.N.I.C.A. in supporting Arabian horse breeding in Italy.

The programme was also rich, with the Italian Straight Egyptian Championship in addition to the Italian Championship. This year an all-pink jury was in the field: Mrs. Paula Bohmer (The Netherlands), Mrs. Christine Jamar (Belgium), Mrs. Anna Stefaniuk (Poland), Mrs. Caroline Reid (UK) and Mrs. Fayt Berengère (France).

The disciplinary committee consisted of Dr. Vet. Laura Mascagna, Dr. Andrea Di Salvo, Dr. Daniele Giaccone. Ring Master was Mrs. Barbara Raso.

Demonstrating the association's commitment, the entire technical staff of the Anica secretariat was present: Mrs.

Marzia Alinovi, Mrs. Mirjam Boschini, Mrs. Eva Simona, Dr.ssa Valentina Lippi, Mr. Alberto Manerba and Dr.vet. Gianpaolo Teobaldelli. Very captivating music by Mr. Gianluca Filippi.

The choice of location was a risky one, as it did not allow for adequate cover in case there was a change in the weather; but believe me, such a beautiful national show, with the participation of so many breeders, with careful catering and an equestrian centre that provided two bars and a restaurant of such a high standard has not been seen for a long time. In the end, however, courage was rewarded and the show took place under such wonderful sunshine as can only be seen in Italy.

Now I will let you browse through the photos by Mrs. Camilla Franchini (info@camillafranchini.com Instagram: camillafranchini.ph).
