The Arabian Horse Society in Palestine is a private non-governmental organization that was established in 2014 by a group of pure Arabian horse lovers. Our organization organizes pure Arabian horse shows and races. We are an active member of the HARC (Heritage Arabian Racing Club) club that was founded by his Highness Sheikh Sultan Bin Zayed Al Nahyan in Abu Dhabi. Our organization is also an active member of the ECAHO - the European Conference of Arab Horse Organizations. We are present on the ECAHO's list of shows at least twice a year. Our organization has its own club, the Holy Land Riding Center in Jericho, where the shows and races take place. This club includes indoor and outdoor arenas and over 150 boxes. □
