di Pietrasanta

n un clima finalmente primaverile si è tenuta nello storico Parco della Versiliana, presso il comune di Marina Ldi Pietrasanta, il decimo concorso di classe C del Cavallo Arabo. La splendida pineta ci ha ospitato nei giorni 5 e 6 aprile, in concomitanza si è tenuta anche la bella manifestazione "L'Arte Del Cavallo", rassegna equestre che ha sempre attratto un buon numero di addetti ai lavori e pubblico. Quest'anno un numero non elevatissimo di soggetti purosangue arabi hanno dato luogo ad uno spettacolo piacevole durante il concorso morfologico nazionale di categoria "C" Ecaho. Molto è stato fatto dal comitato organizzatore dell'evento, l'Assessorato al Turismo ed allo Sport del Comune di Pietrasanta coordinato, per la parte tecnica, dal sig. Luciano Borzonasca, per rendere più interessante questa manifestazione, si è accomunato la grazia e la bellezza del cavallo arabo al fascino del cavallo montato con la tipica monta "Western", con la partecipazione di una splendida Natalia Estrada che ha veramente stupito per disponibilità e simpatia.

Chiamati al compito di giudicare i nostri PSA sono stati: il Dott. Fausto Scanzi, il sig. Moschini, il sig. Jung Nikolaus. Ottimo, come sempre, il lavoro svolto dal sig. Ivo Ludi in qualità di ring master, e dalla dr.ssa Elisabetta Tizzani, nel ruolo di Commissari Disciplinari e dal sig. Maurizio Rio, responsabile A.N.I.C.A. presente all'evento. Un elogio speciale va a Miriam Boschini che da sola ha fatto da factotum dello show. Vari spettacoli per l'intrattenimento dei più piccoli, una fiera eno-gastronomica dei prodotti tipici della zona, hanno fatto da cornice alla bella gara disputatasi nella due giorni Versiliana, che ha visto in campo ottimi soggetti. Dopo le categorie preliminari di cui Vi proponiamo le classifiche a chiusura dell'articolo

he tenth edition of the class "C" competition for Arabian Horses was held in the historical Versilia-👢 na Park, in Marina di Pietrasanta, with the weather finally turning into spring. On April 5th and 6th, at the same time as the competition, the wonderful pinewood hosted also another enjoyable event, "L'Arte Del Cavallo", an equestrian show that has always attracted a good number of horse lovers and spectators. A good number of purebred Arabians took part in the national ECAHO "C" conformation show providing great entertainment. The organizing committee, the Tourism and Sport Office for the Municipality of Pietrasanta led, for the technical part, by Luciano Borzonasca did a lot to ensure that the event would be as enjoyable as possible, combining the grace and beauty of the Arabian horse with the charm of horses ridden in the Western style. This was headed by the beautiful Natalia Estrada, who impressed everyone with her friendliness and congeniality.

The judges called to score our PBAs were Mr. Fausto Scanzi, Mr. Moschini and Mr. Nikolaus Jung. Impeccable as usual was the job done by Ivo Ludi in his capacity as ring master, by Mrs. Elisabetta Tizzani as Disciplinary Commissioner and by Mr. Maurizio Rio, A.N.I.C.A. Manager attending the event. A special mention goes to Miriam Boschini, who did almost everything at the show. Children entertainment, a wine and food fayre of local products, were collateral events to the lovely competition held over two days in the Versilia area, which saw very high quality horses on the ring. After the preliminary categories – see the results at the end of this article – there was the usual antici-
