Per la location, incantevole, l'organizzazione, impeccabile, i numeri, importanti, si potrebbe auspicare, in tempi brevi, la promozione alla prossima organizzazione di un concorso di categoria superiore. Il sig. Silvano Pecorari si è reso responsabile dell'ottima organizzazione che ha prodotto uno spettacolo davvero piacevole, curato nei particolari e con un esito molto professionale. Presenti i mezzi di comunicazione al gran completo con quotidiani locali e con un elicottero per le riprese aeree con operatori Sky. Numerosi sponsor del settore calzaturiero, pelletteria e tessuti hanno messo in palio interessanti premi ai vincitori delle categorie. Il ring, molto grande e con un fondo ottimo, ha permesso ai cavalli concorrenti di esprimersi al meglio. Gli spalti gremiti hanno fatto da cornice a questa due giorni assoluta e gradevole, grazie anche alle tribune confortevoli ed ai tavoli vip posti ai lati del campo per una perfetta visuale della competizione. Given the charming location, the impeccable organization and the considerable number of entries, one would hope that the next edition will be promoted to a higher class. Mr. Silvano Pecorari was responsible for the organization, and the result was a truly enjoyable show, accurately organized in every detail and with a very professional outcome. Mass communication media were present en masse, with local newspapers and a helicopter for the aerial shots with SKY cameramen. The large number of sponsors (footwear, leather goods and fabrics) offered interesting prizes to the winners of the various categories. The large ring with an excellent terrain made it possible for horses to express at their best. The full stands created the background for this enjoyable and sun-blessed two-day event, thanks also to the comfortable seats and the VIP tables located at either end of the ring, giving an excellent view of the competition.
