The competition in the Overall Foal Championship was between Forelock's Lunette and Forelock's Yucatan. The ultimate honour was for the beautiful Psytadel son Forelock's Yucatan.

Then the Senior Mare Championships started. With their senior mare Peppi (s: Pilgrim), bred by Tersk Stud from Russia, Forelock's Arabians took their fifth medal home, since this beautiful, snow-white mare was crowned Gold Medal

Champion. A Silver Medal was granted to AF Karimah (s: Aparan), bred and owned by Arabian Fantasie. AF Zjaba (s: Kubay Khan), who ended second in the ridden class for mares earlier that day, won the Bronze Medal for her owner E.A. Loots of ZjaKuba Arabians from Goor (NL).

The final championship was that for the senior stallions. ES Rivas (s: Sivmen B), bred by ES Arabians from Axel (NL), who won his class with a smashing performance and the highest

score of the day, was without doubt crowned Gold Medal Champion. Great joy to his owners, Kooiker Arabians. Rector's Aristocrates (s: Extreme) gained Silver and the wonderful mover Masud 'T' (s: Massimo Ibn Mirokan), bred by L. Schutrups from Schoonoord and owned by P.R. Mulder of PeKa Arabians from Schoonoord (NL), really marched straight ahead to the third position and took Bronze.

At the end of the day the Best of Show trophee was to be granted to one of the Gold Medal Champions of that day. A

unanimous vote from the jury placed Yusriyyah on this prestigious throne.

The National C-Show Sint-Oedenrode was also this year a very succesful show again, with a good quantity but above all a good quality of Arabian horses and an enthousiastic audience. Really looking forward to the next show in Sint-Oedenrode and probably this 2012 show will not be a national but an international show on the calendar of ECAHO.
