

STROHHEIN

NATIONAL C-SHOW

INTERNATIONAL B-SHOW

by Catherine Noel ■ photos by Erwin Escher , Catherine Noel

Durante il fine settimana del 12 e 13 luglio si sono ritrovati alcuni dei migliori puro sangue arabi e i loro handler, per lo show di Strohen in Germania. Lo show era diviso in: un nazionale C ed un internazionale B. La pioggia ha “quasi” lasciato in pace i protagonisti durante il sabato, mentre il sole ha permesso a tutti di passare una bella domenica, in questo posto dove l’atmosfera è serena e gli animali sono re. Infatti, è nel mezzo del parco animalista della famiglia Ismer che tra elefanti, tigri e scimmie, i nobili quadrupedi equini hanno potuto esprimersi. □

During the weekend of July 12th and 13th , some of the best purebred Arabians and their handlers gathered in Germany for the Strohen Show. The show consisted of a National “C” and an international “B” competition.

The rain left the competitors ‘almost’ in peace on Saturday, whereas the sun shone on Sunday, in this wonderful place where the atmosphere is calm and animals are kings. And in the middle of the animal park owned by the Ismer family, our noble four-legged friends were able to express themselves, surrounded by elephants, tigers and monkeys. □
