*It is always a great pleasure and we are honored to be present with our magazine Tutto Arabi at the International Arabian Horse Festival in Sharjah, a place well known in the world as the ancient emirate of the United Arab Emirates and the Cultural Capital of the Arab World (nominated by UNESCO in 1998) where the tradition blends very well with modernity.*

*The event took place at the Sharjah Equestrian & Racing Club which is the best place to host a unique event like this. It has been the first equestrian club in the UAE, established in 1982 by the will of H.H. Sheikh Dr. Sultan Bin Mohammed Al Qasimi, Member of Supreme Council – Ruler of Sharjah.*

*The 22nd Sharjah International Arabian Horse Festival lasted three days (4, 5 and 6 of March 2021) and was indeed a continuation of the success of previous editions.*

*As always SERC organizers did their best to ensure that everyone felt welcome and that everything was perfectly prepared and sanitized.*

*The VIP tables left space to single chairs to maintain the space allowed due to Covid-19. The weather was also very welcoming and the atmosphere of the show was very pleasant as always.*

*The show gathered many horses – 282 to be exact. All of the highest quality and important pedigrees. The director of the*

show Mr. Sultan Mohammed Khalifa Al Yahyaie managed and organized the Festival from the beginning impeccably with his team of the SERC association, who we congratulate. The show took place in the outstanding outdoor arena which was very well prepared to handle the large amount of horses that entered the show grounds and was also beautifully decorated with the Sharjah Airport logo - the main sponsor of the show - and the 2021 in the center of the arena written with flowers.

The show was judged by the international panel of judges: Mr. Ahmed Abdelrazek (Egypt), Mrs. Pilar Cervero Pino (Spain), Mr. Jerzy Bialobok (Poland), Mr. Fausto Scanzi (Italy), Mr. Koenrad Detailleur (Belgium), Mr. Tomas Rombauer (Hungary) and Mr. Eric Gear (France). Ring Master Dr. Abdelwahab Ben Ali Amira who worked flawless as always.

During the three days of the show the 12 categories were held in harmony, almost all divided into A and B classes. But the real competition, the cheering of the public has tripled with the championship.

This year, however, I noticed new farm names emerging among the elite of historical breeders. This is the result of many years of breeding sacrifices which, however, are starting to bring satisfaction to the smallest breeders.

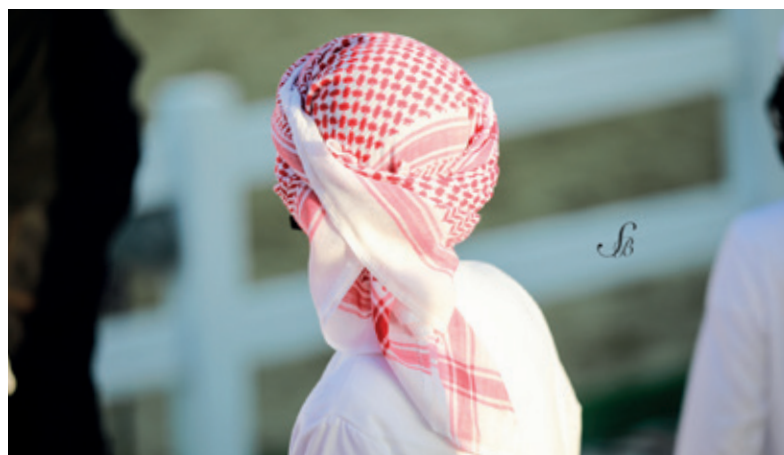

The remote streaming was by the experienced and long-standing "Arabianessence".

The many cameras in the ring were by Arabian HSR. The most important local TV "Sharjah Sports TV" sent its reporter Mr. Zakaria Mestoui, who covered the event and interviewed the gold medal-winning breeders and owners one by one.

It was a great pleasure to attend the 22nd Sharjah International Arabian Horse Festival. It was a wonderful event which I obviously hope to return to next year.

Shows like this are a certainty for organizational excellence and quality of the horses. □
