

# Ströhen

by Fabio Brianzoni ■ photos by Alessio Azzali

*Also this year Tutto Arabi was present in Tierpark Ströhen for the "different and new show" due to the restrictions of Covid -19.*

*Mr Nils Ismer was brave to not cancel the show even when was almost impossible to believe that the show could be held. All breeders supported the show bringing a lot of horses for the 2 events and even if many people could not travel the answer was over the expectation.*

*In the 2 days of the event we had the pleasure to assist at*

*the European Show (Ecaho), International B-Show and a class of Geldings, the Championships and Endurance Riding which were parts of the Arabian Horse Days held on 11th and 12th July and greatly organized by Ismer Family.*

*Ismer is a big family of long legacy in horses and animals: the grandfather of Nils, Rolf Ismer was the founder of the Tierpark Zoo. Since 2007 Mr. Nils Ismer is the owner of the Zoo and the Farm. The zoo is just in front of his family house in Ströhen, where the family loves to host friends and once a year this very interesting Arabian horse event, always studded with special moments like the Special Presentation of The Stud and spectacle of camel and dancing horses and the*

long-awaited party, this year outdoors under the tent. This is just one of many small details that made the "International Days For Arabian Horses" very special! Ströben as always made record of entries with 179 Horses in total between the 2 shows and the endurance riding about 30, 45, 61 and 90 km which held on Saturday. For the European Show They have been invited expert judges : H.H. Sheikha Fatima Bin Zayed Bin Sultan Al Nahyan From UAE, Mr. Eric Gear from France, the president of Ecaho Mr. Jaroslav Lacina from Czech Republic and Dr. Gianmarco Aragno Italy. While classes for the International B show took place in the afternoon but with a new pool of judges: Mr. Klaus Beste (Germany), Mr. Jerzy Bialobok (Poland) Mr. Mark Ismer (Germany) and Mrs. Marianne Tengstedt from Denmark. This year Lizette Svensson was first experience in Stroben as ringmaster. DC was Dr. Vet. Mohammed Hammad (Egypt), Dr. Vet. Gianpaolo Teobaldelli (Italy) and Mr. Peter Hegemann (Germany). Special Speaker of the event Mr. Erik Blaak and music by Mr. Lars Grootswagers both from Netherlands. Ismer Stud started with Arabian Horses almost 60 years ago.

The stud was founded with the purchase of the first pure bred arabian mare in the late 1959 by Rolf Ismer. His son Holger developed the stud over 40 years to its present size. Today the stud farm is managed by the third generation of the family, Dr. Nils Ismer. Nowadays it is the largest private Arabian horse stud in Europe. Only Polish State Studs has such a history. Approximately 60 mares and 15 stallions form the breeding stock of the stud. Ismers has many good friends all over the world and the breeding tradition of Ismers Family is present worldwide. We want to thank the whole Ismer Family for the warmth and familiarity that made us spend one of the most beautiful weekends of the year. We invite you all to Germany for a visit at Ismer Farm and the Tierpark zoo where you surely can have a great day to archive in your Arabian horse memories. Enjoy our gallery of winners with results and pictures by our photographer Mr. Alessio Azzali. If you want to review the images of those spectacular days, watch the Arabianessence streaming. A special thank goes to Ismer Family and especially to Nils by all the editorial staff of TuttoArabi for this amazing show organized every year. □
