

50TH

PRIDE OF POLAND JANÓW PODLASKI

by Urszula Łęczycka ■ photos by Ewa Imielska-Hebda

This year's show, organised by Polish Jockey Club with the Supervision of the Chairman Mr Tomasz Chalimoniuk was held again back at Janów Podlaski Stud and has been judged by Deirdre Hyde (UAE), Eiad Safady (NL), Francesco Santoro (IT) and Koenraad Detaillieur (BE) under the eye of Disciplinary Committee: Elisabeth Chat (AT), Daniel Souppat (FR) and Gianpaolo Teobaldelli (IT).

Judges did a good job as well as the ringmasters Mr Mohammed Hammad and Mr Roberto Ceccaroni. All the breeders and the spectators enjoyed as 116 horses were entered setting the record of the last years and in every classes the fight for the first five in class was really exciting. The organization did an excellent job giving the best service and making of Janow's Show once again a fantastic event.

Since the first day the atmosphere was really friendly with incredible service in the lounge where everything was impeccably prepared offering proper food for the guests coming from Middle East and Europe as well and also special cocktails

without alcohol. A special solarium with ashisha smoking corner and an elegant cigars' bar were just some of the details to welcome the guests.

Returning back to the show the yearling males finals, held for the first time during the Nationals, were successful for Polish private breeders – the gold medal went to Star Farid, son of RFI Farid and Marwan Al Shagab daughter, the colt was bred and is own by Mr Wojciech Parczewski. The same breeder grabbed also the trophy for Bronze Champion with the paternal sibling of the gold winner - Wolare out of El Omari daughter Wieża Marii purchased from Michałów Stud. Silver medal went to Michałów bred colt Pointer sired by Sahm El Arab out of multichampion mare and great producer - Palanga by Ekstern.

Top Fives of the championship were completed by private bred colts by fashionable sires: Estorious F by FA El Rasheem bred and own by Falborek Arabians and Freyson by E.S. Harir bred and own by Andrzej Wójtowicz.

Junior males championship gold medal also went to private bred colt – Ames JR by Psytadel bred and own by Janusz Ryżkowski, silver became Belmari by El Omari from Białka Stud and the bronze – Erantis by Ascott DD from Janów Podlaski Stud. In Top Five his place found also private bred Chaos Uriel by Psyche Keret, bred and own by Chrcynno Palace Stud.

When it comes to the seniors the winner was Pomian – one of the last Gazal Al Shaqab sons in Polish breeding, representing Janów Podlaski Stud in front of his stable mate from the same sire line – Pitawal by Kabil Al Shaqab and Empower by WH Justice bred and own by Falborek Arabians. Top Five was completed by only one more participant of this championship – Złoty Medal by QR Marc from Michałów Stud.

The yerling fillies final competition was dominated by the representatives of the hosting Janów Podlaski Stud bred fillies that shared the trophies with the young mares bred by Michałów Stud. The gold went to Florissima from Michałów Stud – daughter of Sahn El Arab, in front of Basilia from Janów Podlaski the daughter of Pogrom and bronze medalist – her stable mate Amirata by EKS Alihandro. Top Five joined also by Aplia by Pomian from Janów Podlaski and Esselita by Złoty Medal mentioned before) – from Michałów.

The junior mares championships were attended by the really high quality fillies – all of them scored over 91 points and the two participants from fillies 2 years old class were scored more then 93.

But the gold was taken by the other section of 2 years olds winner – Encarina by Ascot DD scored (92,17) and awarded Best in Show title as well. Silver medal went to the highest scored horse of the show (93,33) – El Belissima from Michałów Stud, also sired by Ascott DD and awarded with the Best Movement trophy too. Bronze medal went to the private breeder and owner – Lech Blaszczyk and his filly Paprotnia sired by Elgast while the top five was completed with the second filly scored 93,33 – Protekcja by Ekstern from Michałów Stud (awarded with the Best Head of the Show trophy) and private bred and own Espaja (M Arabians) – probably the best Aja Justified daughter born in Poland.

Senior mares is the favourite part of the show for most of the spectators coming to Poland. This year they had a pleasure to watch the amazing and powerful “Tower of Power” – Wieża

Mocy winning the Polish National Senior Mare Champion title for Michałów Stud in front of private bred and own Eksterna by Ekstern from Falborek Arabians as silver (and Best in Show Private Bred award) and Zigi Zara by Shanghai EA – again for Michałów Stud as bronze. Top Five for the senior mares section was joined by Emandorissa – the representative of famous damline of Emigracja, sired by Abba Qatar – for Michałów Stud and Paterna – from another valuable Polish damline of Pipi from Janów Podlaski, the filly sired by Eden C. During the breaks many shows were organized and people enjoyed very much the versatility of horses. The Minister of Agriculture Mr Jan Krzysztof Ardanowski was present for the whole event including Pride of Poland auction. This was something really important as it showed how much the Nations is interested in Arabian horses and in continuing their heritage and their breeding program in Poland in the future.

POLAND BACK ON HIGH DEMAND 50th PRIDE OF POLAND AUCTION

The Jubilee 50th Pride of Poland auction had a real collection of high quality valuable broodmares as well as show entitled horses worth the anniversary.

Thanks to the organizer Polish Jockey Club everything was excellently organized.

Amongst the 20 offers we could find the amazing Galerida by Shanghai EA – European Bronze Medal Champion, twice World Top Ten, Bronze in Menton, Sharjah and Dubai as well as past year Polish National Champion and Best in Show .

There was also a chance to buy the embryo of one of world's most famous mares – World Platinum Champion 2018 – Emandoria with Sundown KA. The younger generation of mares offered was represented for example by Emanolla – Polish National Reserve Champion, Silver and Bronze at Al Khalediah European Festival and 2018 World Top Ten Mare in foal to Morion – sire of very promising crop of foals in Poland. Another World Top Ten Mare (twice) in the offer was Ekstern daughter Potentilla from the damline of famous Pipi-Pilar of Janów Podlaski Stud. Next to the wonderful collection of State Stud Bred mares Pride of Poland & Summer Sale contained a group of Polish private bred/owned mares very interesting.

The Pride of Poland auction evening gathered the honourable guests and agents from all over the world. Both Polish and foreign breeders attended the bidding from the very beginning so the prices flew up high from the first lots presented. Over 50

deposit were collected by the organizer. The culmination was the entry of Galerida who, after the big fight between Israel, Qatar, Polish breeders and some guests from Australia finally went to the stunning farm of Al Thumama Stud in Qatar which paid 400 000 euro for the highest sold bid. The second highest sold mare became Potentilla. This Ekstern daughter bred to E.S. Harir will enlarge the collection of Hanaya Arabians for 215 000 euro. Hanaya Stud was able to buy also the beautiful Primera for 90.000 euro by Eden C that was also European Champion in 2014. For 122 000 Euro the new owner from Saudi Arabia client of Christine Jamar purchased Karola – also bred to E.S. Harir, the daughter of QR Marc representing the same damline as world famous Kwestura. Christine Jamar was successful in bidding another high seller – Emanolla sold for 135 000 euro. Amazing price result was also reached for the embryo of Emandoria with Sundown K.A. - after the refused offer of 80 000 euro the seller – Michałow Stud finally accepted the new offer of 100 000 euro by Akmal Stud of Saudi Arabia. Really a great price for an embryo. The idea of selling an embryo was great as it gave the chance to breeders worldwide to buy an embryo of a mare who will never be for sale like Emandoria. Kalliste Arabians from France after a fight with buyers from Israel and Bahrein was able to buy El Gotta a promising daughter of Ascott DD. Another good sale was Cheronea for 65 000 euro to Rumenia a daughter of Qr Marc and Chimera by Emigrant. The beautiful Anawera was sold to Spain for 57 000 euro. Polish breeders also participated in Pride of Poland auction with good results. The only daughter of Pianissima offered at Pride of Poland – Pianova - will stay in her home country owned now by Mr Marek Rzepka for 52 000 euro and the beautiful flaxen chestnut Escotia was purchased by Black Lady Arabians for 25 000 euro. The total income gathered during Sunday evening auction reached close to 1 400 000 euro. 14 horses of the 20 offered were sold 70% sold was really a good achievement and with really good prices as well. Pride of Poland was the highest auction in the last years. The 50th Pride of Poland's edition was really crucial after many years of bad results and we do hope the market will take benefit in Poland.

SUMMER SALE 2019 - THE CHANCE TO GET A VALUABLE BREEDING HORSES

Summer Sale auction organised on Monday after the emotions of Pride of Poland evening is always a chance to get a second selection of horses from both State and private Polish studs. This year there were 20 horses including 1 stallion offered. Finally 12 horses found new homes in Poland and abroad and the total amount of 328 000 euro was reached on Monday morning. Again 60% of sale in Summer sale was really an incredible result. The highest sold during Summer Sale was (expectedly) Wieża Marzeń - class winner at Polish Nationals, mostly known as the dam of multiple champion

Wieża Mocy (just awarded 2019 Polish National Champion) that went for 65 000 euro to new home in Sweden after a big fight between several buyers. Another high seller was Włodawa by Pomian, from Kurozwęki's stud line of Wizyta, sold to Al Jood Stud in Qatar for as high as 45000 euro a very promising filly. For very good price of 39 000 euro was sold Eteryka – the daughter of valuable Etnologia being in foal to Emerald J – she will find her new home in Saudi Arabia. One of the most interesting offers of this year's Summer Sale was royally bred El Dorra by QR Marc out of European Champion mare El Dorada sold for 35000 euro to Saudi Arabia and for 30 000 euro the Vittorio TO daughter Praga in foal to Emerald J will stay in Poland. Al Dawla Arabians Stud bought after a fight with Saudi breeders to interesting mares for Michałow Stud, Elgora and Editha for over 40 000 euro in total. The big success was selling the stallion - great cross Pistolero - son of Kabil Al Shaqab and out of beautiful champion mare Pinga. This young stallion placed 4 times top five at international shows will go to Great Britain for 10 000 euro.

Thus, the total income from the whole Pride of Poland event exceeded 1.730.000 euro that is the best result since 5 years and also the happy return of Polish bred horses on worldwide high selling market. The 2019 auction shown that Polish Arabian horses are still on high demand worldwide – as breeding but also as valuable and entitled show horses. A success come just with passion dedication and efforts.

All the Team worked well and every one did her/his best also considering that for Polish Jockey Club Team was the first time in Janów.

The selection of people involved was perfect starting from the speaker Mr Erik Blaak, the auctioneer Mr Frederick De Backer and the spotters Mr Mohammed Hassand, Mr Roberto Ceccaroni and Mr Erik Blaak himself.

The music and the technical details were perfectly managed.

The idea of the envelope given to the auctioneer just few seconds before the lot entered the arena was something to underline, copy and paste to other auctions all around the world as well as the idea to put the sellers in special tables close the auctioneer who had the chance to ask the seller to decide if selling the Lot also under the reserve price. Many times in many auctions horses not sold even if the offer was good and some expensive mares were not sold just for few thousand euro missing. This idea was really well appreciated worldwide.

We would like to thank the Organizer who was able to manage such a beautiful event for Arabian horses that was something needed as breeders need hope and just an event that show the high potential like Pride of Poland can influence the market worldwide. Looking forward to the next Pride of Poland 2020. □
