*Under the Patronage of President of the Council of Ministers His Excellency Mr. Saad Hariri, the Lebanese Arabian Horse Organization proudly presented the Fourth Lebanese Arabian Horse Championship- ECAHO Nationals. The impeccable organization by the whole staff and by Mr. Danny Ghosn made the show reach the high level.*

*The event was held in Beirut, the capital of Lebanon, sadly famous for tragic wars fought on the territory for years which ended after the last civil conflict in 1990. An expensive peace, considering that war's wounds are still visible on the old buildings which now coexist with modern skyscrapers that represent the city's skyline. A peace that nonetheless gave great impulse to the economic and social development.*

*In Beirut all is appealing: historical culture is in the air as much as modernity and technological progress. The*

*fascinating hippodrome which is a National museum for its ancient architecture was the show frame.*

*Great affluence of horses and people both in the area dedicated to the public and in the VIP tables which enjoyed a delicious lavish catering.*

*Many National Authorities were present at the event such as the representative of the Patronage, Minister Mohammad Shoukeir, as well as representative of the Ministry of Agriculture Dr. Youssef Chahine, and the head of the Animal Resources Directorate at the Lebanese Ministry of Agriculture, Dr. Elias Ibrahim.*

*Saturday at 4 pm the first five categories started and on Sunday at 10 am with the rest of the categories, and afterwards everybody enjoyed the championship on perfect time.*

*The weather was warm and aired thanks to the wonderful*

sea.

Judging was entrusted to Mrs. Claudia Darius (Germany), Mrs. Renata Schibler (Switzerland), Mr. Bruce Mc Crea (USA) and Mr. Fausto Scanzi (Italy). The Disciplinary Committee was composed by Mr. Farhang Farzeli, and Dr. Elias Rizkallah. Dr. Mohamed Al Hammad was the professional Ring Master.

Results given by Arabian Essence which took care of the streaming as well were announced by the emotional voice of Mrs. Nabilah Al Ali.

As all the people who has the chance to attend many shows like us of Tutto Arabi, we immediately recognize the high standard in choosing judges and DC in the ring of great professionalism and integrity as it was done for Beirut show by the Organizers.

Between the classes and the championship three stallions

of which one of them is the Triple Crown winner and World Champion Abha Qatar (Marwan Al Shaqab X ZT Ludjkalba) owned by Arayby Stud and the second stallion was the special ZT Magnofantasy (ZT Magnanimus x ZT Fantamaisa) owned by Samjad Stud, while the third one was the great producer coming from Italy TF COLOURS (Royal Colours X Nuk Serondella) owned by AL HAMIE STUD.

The National Championship in Beirut was back to ECAHO calendar after 1 year stop. We all wish ourselves that the Lebanese Arabian Horse Organization, led by Danny Ghosn and his staff could offer in 2020 a great show like this considering the big success achieved this edition.

Tutto Arabi will be present for sure sponsoring the Best in Show special trophy and we hope to see double number of horses and participant breeders. □
