**A stunning location and as always a great hospitality and a lot of fun in Ströhen were the ingredients of the Arabian Horse Days this year!**

*Tutto Arabi was present in Ströhen also this time. In the 2 days of the event we had the pleasure to assist at the International B-Show, the European Show with Gelding classes, the Championships and Endurance Riding which were parts of the Arabian Horse Days held on 13th and 14th July and greatly organized by Ismer Family. Ismers are a big family of long legacy in horses and animals: the grandfather of Nils, Rolf Ismer was the founder of the Zoo. Since 2007 Mr. Nils Ismer is the owner of the Zoo and the*

*Farm. The zoo is just in front of his family house in Ströhen, where the family loves to host friends and once a year this very interesting Arabian horse event, always studded with special moments like the Party and the Special Presentation of The Stud. This is just one of many small details that made the "International Days For Arabian Horses" very special! Ströhen as always made record of entries with 180 Horses in total between the 2 shows and the endurance riding about 30, 45, 61 and 90 km which held on Saturday.*

*The shown was simply fantastic the organizer prepared special trophies for Best Movement for Junior filly, Junior colt, Senior Mare and Senior Stallion in both shows, European and Int. B-Show.*

*Also they thought to gave a special trophy the highest points of the show for the mares in the European Show Nowadays not too many shows in the world can count on this number of entries. The team of Ismer Family worked as always in perfect and gentle way. Not too many people knows that Ismers started with Arabian Horses almost 60 years ago. The stud was founded with the purchase of the first pure bred*

*arabian mare in the late 1959 by Rolf Ismer. His son Holger developed the stud over 40 years to its present size. Today the stud farm is managed by the third generation of the family, Dr. Nils Ismer. Nowadays it is the largest private Arabian horse stud in Europe. Only Polish State Studs has such a history. Approximately 60 mares and 15 stallions form the breeding stock of the stud. Ismers has many good friends all over the world and the breeding tradition of Ismers Family is present worldwide. We want to thank the whole Ismer Family for the warmth and familiarity that made us spend one of the most beautiful weekends of the year. We invite you all to Germany for a visit at Ismer Farm where you surely can have a great day to archive in your Arabian horse memories. Enjoy our gallery of winners with results and pictures by our photographer Mr. Alessio Azzali.*

*A special thank goes to Mr. Ismer by all the editorial staff of TuttoArabi for this amazing show organized every year. We are looking forward to the next edition to celebrate together 70 years of Ismer Farm. □*
