# MASTERS

Qualification for the European

Included in the most important event for purebred Arabian horses under saddle is the qualification for the finals of European Championships Sports Arabians. The Masters Championships!

The level M is the high level and as always it has a range from medium to difficult. The "Masters" Championships is somehow in the middle of difficulty. The ten best horses are qualified in each discipline for the finals of European Championships!

In the past this „Masters Championships“ were named „International Austrian Championships“ and was open for all participant. This year about Corona virus the Austrian Equestrian Federation decided no Austrian Championships at all are allowed. But we could organize the International event. Therefore we created with the allowance of AEF the new name of Championship for qualification. Riders accepted it and agreed.

One of the most successful riders of the last years was also in this qualification on top: Three different disciplines she could win!! Dressage, Classic & Hunter Pleasure. From Germany this rider & horse arrived, with a lot of pressure on them because they have to defend their titles! Susanne Hoyler & Haifi el Sorrento a very well trained and showed gelding. Haifi is owned by the Lipp family. But after this three very nice rides for the finals on the top place, only one European Champion Title they could received, E Ch Dressage! The pressure was too high on them.

Two times on the first place was a team from Austria: Loggia & Susanne Schuh. Susanne prepared the mare-bred in Michalow & owned by Gut Fronleitenhof - very serious for this event and she could won two disciplines Trail & Traditional Arabian Riding western.

All other Master Titles was won by different teams from all over Europe.

Western Pleasure Canisia Romani from the Netherlands with Ashraf al Shams & Ladies Side Saddle Karin Lenhard mit El Trocadero Austria, Neele Schlichte Germany and stallion Al Ashar – the twelve years old girl, youngest rider on the event, very well trained by her father, was a class for her own! This three riders, could won the qualification and the European Champion Title!!

After babybreak of both, Leona Böck & Baikal's Shangrila, already European Champion Reining in 2018, won the qualification in Ranch Riding.

The European Champion in Reining 2019 Verena Böckle & gelding CH Silverlight from Germany, showed again their talent and ability with the Gold in Reining Masters. In the E Ch the pressure was also too high and they missed, but became Gold E CH Ranch Riding!

Antje Aigner & stallion Kalderon Qahira (AUT), GOLD Traditional Arabian Riding classic.

With this results the 11 Gold medals from Master Championships/Qualification E Ch was very equal spread under the starters.

Very interesting are the results of the others from the ten Best. Out of the „Best“ several could get not only in the ribbons, they could come higher and get GOLD in ECh! One of this is the mare VALERIE with extreme gates but not always easy to handle and her rider & owner Isabel Bartlechner Austria, winning the E Ch GOLD Classic Pleasure after placement 5.th in Masters. A newcomer in the whole event was the gelding, very well trained and showed, ERASMOS with Daniela Entner from Austria. From 5.th place in Masters they could develop to GOLD in E Ch Hunter Pleasure. □
